Thread: Moulana Kaleem Siddiqui

Few years ago, a Hindu friend's sister disappeared. She left home for grocery but never came back. It was later found she went away with all her documents & big cash. She had started considering temple/Puja as Haram, would offer Namaz at home.

Family found a book in her shelf "Aapki Amaanat aapki seva me" authored by Moulana Kaleem Siddiqui. It is full of insults to Hindu faith & gods.

Girl wasn't alone. Hindu Girls who are made to leave parents for Islam are made to read Kaleem Siddiqui.

In Kaleem's own words "I have converted 4 Lakh non-Muslims to Islam. Daily 10-15 conversions to Islam are performed."

It is for agencies to probe ppl like him. Let it be known that every conversion to Islam is conversion through deceit, lie & threat. Threat of hellfire & life.

Kaleem Siddiqui openly admitted to have converted more than 4 Lakh Hindus to Islam. Here is how he scares Hindus with hellfire. See how much hatred this man carries for Hindu customs. Only one aim - convert all Hindus of India to Islam! UP ATS arrested him

Kaleem Siddiqui : "Hindus are most easy community for conversion. They are so loving that even most staunch Hindu can surrender before you if you offer him two spoons Eid ki Sevaiyan. Show them love and they will convert."

UP ATS has lifted this man now.

Kaleem Siddiqui : "Hindus believe that Ram and Allah are one. But in reality, Allah is the only truth. Equality of Allah and Ram is work of Shaitan"

This man runs conversion racket. Countless Hindu girls & men converted to Islam under his toxic influence.

Kaleem Siddiqui : "Don't try to give logic to convert non-Muslims to Islam. Convert them using 2 tools. 1. Lust for Jannat 2. Fear of hellfire"

All such conversions by Islamic preachers must be technically declared illegal coz it includes threats & deceit

Kaleem Siddiqui : "I converted a Hindu taxi driver who loved me a lot. Till now, we have converted 83 members of his family and extended family."

This is how love is reciprocated in Islamic way. Show this to secular friends.

Kaleem Siddiqui: "Those who died creating Pakistan were Shaheed (Islamic martyrs). I converted Hindus to Islam in Punjab to undo loss of Muslim pop (due to migration) during partition"

Partition was bad coz it led to loss in Muslim numbers. Not coz it murdered motherland/Hindus.

Kaleem Siddiqui : How he came into business of converting Hindu girls to Islam. His first victim was his Hindu housemaid named Bala who his '7 yrs old' daughter scared with hellfire coz "when a Hindu idol worshipper dies, he/she is burned in hell forever".

Kaleem Siddiqui : "Hindus are so hungry for love. Even most fanatic Hindu becomes yours if you give them Sevaiyan on Eid"

How this man converts 15 Hindus to Islam daily at his Madarsa conversion center Phulat, Muzaffarnagar, UP.

Q. Which is most effective strategy to convert Hindus?

Kaleem Siddiqui: "One in 10,000 Hindus has seen their book Vedas in life. There are not 100 Hindus who understand Vedas. Hindus are already confused. We simply show them fear of hellfire and lure them to Islam for Jannat."

Kaleem Siddiqui : How he converted Balbir Singh to Aamir and paraded him before Pak Maulana Tariq Jameel (Tableeghi Jamat) in latter's words. Kaleem is extremely popular in Pakistan coz of 'converting 5 Lakh Hindus to Islam'.

Kaleem's Pak connections must be probed @myogioffice.

Kaleem Siddiqui : How he converts young Hindu girls (5 lakh non-Muslims in Ind), listen from popular Pakistani Mufti Tariq Masood. Also learn how they brainwash innocent girls to lie to their parents about their brainwashing & conversion. Then one day girl leaves parents crying.
