A German's View on I\$!@m

Very interesting and worth reading because this is by far the best explanation of the Mu\$!m te■■orist situation I have ever read.

His references to past history are accurate and clear...

Cont ■■

The author of this email is Dr. Emanuel Tanya, a well-known and well-respected psychiatrist, - a man whose family was German aristocracy prior to World War II, and owned a number of large industries and estates...

■■

When asked how many German people were true Nazis, the answer he gave can guide and shape our attitude toward the present day I\$lam!c fanaticism. He said,

"Very few people were true Nazis, but many enjoyed the return of German pride the Nazis brought to the German nation,

■■

and many more were too busy to care. I was one of those who just thought the Nazis were a bunch of fools. So, the majority just sat back and let it all happen. Then, before we knew it, the Nazis were in control of the nation, they owned us, and we had lost control.

■■

Suddenly they plunged the country into a devastating and costly world war, and by the end of the war we had woken up to a new reality - our world of comfort, peace and freedom had come to an end. My family lost everything.

■■

I ended up in a concentration camp and the Allies destroyed my factories.

"I see the same situation playing out today with respect to the attitude of the majority towards the the current I\$lam!st movement. We are told again and again by 'experts'

■ ■

and 'talking heads' that I\$la■ is the religion of peace and that the vast majority of Buslims just want to live in peace. This unqualified assertion may be true, but the fact is that it is entirely irrelevant! It is meaningless fluff, meant to make us feel better,

■ ■

and meant to somehow diminish the specter of fanatics rampaging across the globe in the name of I\$I@m. The fact is that the fanatics rule I\$£am at this moment in history. It is the fanatics who march. It is the fanatics who are waging any one of the 50 shooting..

■ ■

wars currently going on worldwide. It is the fanatics who systematically slaughter Christian or tribal groups in Africa and are gradually taking over the entire continent in an I\$lam!c wave. It is the fanatics who b0■b, b€head, mu■de■, and carry...

■ ■

out the so called honour k!lling. It is the fanatics who take over m0sque after mo\$que. It is the fanatics who zealously spread the stoning and hanging of rape victims and homosexuals. It is the fanatics who teach their young to k!!l and to become suicide b0mbers.

■ ■

The hard and quantifiable fact is that the peaceful majority, the 'silent majority,' has been cowed and made extraneous and irrelevant."

"Communist Russia was comprised of Russians who just wanted to live in peace,..

■ ■

yet the Russian Communists were responsible for the mu■der of about 20 million people. The peaceful majority were irrelevant.

China's huge population was peaceful as well, but Chinese Communists managed to k!!l a staggering 70 million people.

■ ■

The average Japanese individual, prior to World War II, was not a warmongering sadist. Yet, Japan murdered and slaughtered its way across South East Asia in an orgy of k!lling that included...

■ ■

the systematic murder of 12 million Chinese civilians, most killed by sword, shovel, and bayonet.

And who can forget Rwanda, which collapsed into butchery. Could it not be said that the majority of Rwandans were 'peace loving'?

■ ■

History lessons are often incredibly simple and blunt. Yet for all our powers of reason, we often miss the most basic and uncomplicated of points: peace-loving Muslims have been made irrelevant by their silence.

■ ■

Peace-loving Muslims will become our enemy if they don't speak up, because, like my friend from Germany, they will awaken one day and find that the fanatics own them, and the end of their world will have begun.

■ ■

Peace loving Germans, Japanese, Chinese, Russians, Rwandans, Serbs, Afghans, Iraqis, Palestinians, Somalis, Nigerians, Algerians, and many others have died because the peaceful majority did not speak up until it was too late.

■ ■

Islamic prayers have now been introduced into Toronto and other public schools in Ontario, and, yes, in Ottawa too while the Lord's Prayer was removed due to being so offensive! But to whom? Not to the vast majority of Canadians but to the few Islamic fanatics!

■ ■

The Islamic way is only peaceful until the fanatics move in and take control. In Australia, and indeed in many countries around the world, many of the most commonly consumed food items now have the halal emblem...

■ ■

(i.e a sign or instruction that says this product is not to be eaten, consumed or used because Islam forbids it) on them. Just look at the back of some of the most popular chocolate bars, and at other food products in your local supermarket.

■ ■

Foods on aircraft have the halal emblem, just to appease the privileged minority who are now rapidly expanding throughout the world.

In the U.K, the Muslim communities refuse to integrate and there are now dozens of no-go zones within major cities across the country...

■ ■

that the police force dare not intrude upon. Sharia law prevails there,because the ■uslim community in those areas refuses to acknowledge British law. As for we who watch it all unfold,we must pay attention to the only group that counts the fanatics who threaten our way of life.

Anyone who doubts the seriousness of this issue and just deletes without sending it on, is contributing to the passiveness that allows the problems to expand...

■■

So, extend yourself a bit and send this on and on and on in the hope that thousands, world-wide, read this, think about it, and send it on - before it's too late.

Thank you ■
