Where do you anchor the VWAP? Common question I receive and it is the topic of my @FinTwitConf talk in 2 weeks

Here are a few on $CVS daily chart
orange- YTD
Red- year high
green- swing low after year high
blue- recent swing high

and this is the weekly chart of $CVS going back to summer of 2015 all time high

CVS Health Corporation, Weekly, Nasdaq + Nyse BQT O 84.51 H 86.44 L 84.51 C 85.75 Period +1.47% Market closed
