Do we know why colonial ecosystem love Gandhi’s India?

As it was amputated/partitioned by blaming innocent wounded victim #Hindus but glorifying invaders & colonisers

#Indigenous ‘ChildrenOfCivilisation’ loves universal acceptance humane #Bharat not Gandhi’s India

NEW DELHI: British steamer SS Kinfau Castle had reached the English Channel from Cape Town in South Africa in August 1914 when one of the passengers received important news: the British Empire was at war with Germany. Upon reaching Britain, he would declare unconditional support to the British war effort and propose to raise an Indian volunteer unit. He was barrister Mohandas Karamchand Gandhi.

But from Leo Tolstoy’s-‘The Kingdom of God Is Within You’ (Luke 17:21)
Jesus Christ said “To turn other Cheek”

But our Raja Ram & Krishan punished anyone crossing LakshmanRekha or last non-negotiable warning

Kaffirs Can Be Pleased With Toys and Pins

Feb. 2, 1908: "The British rulers take us to be so lowly and ignorant that they assume that, like the Kaffirs who can be pleased with toys and pins, we can also be fobbed off with trinkets."

Kaffirs Are Uncivilized Animals

July 3, 1907: "Kaffirs are as a rule uncivilised – the convicts ever more so. They are troublesome, very dirty and live almost like animals. Each ward contains nearly 50 to 60 of them. They often started rows and fought among themselves. The reader can easil imagine the plight of the poor Indian thrown into such company
