PRICE ACTION TRADING

PART -1

1/4 Engulfing Candle along with the trend. In this case bullish trend. Scroll down and check the example. Also in a video format (Video link - <https://t.co/7V2pz0aCdx>)

Higher High & Higher low is common in bull market but to understand the traders strength need to read the auction in the consolidated sideways range. So I have explained a simple engulfing concept. Scroll down

-Basic Price Action - Strong uptrending stock or index will have Higher High & Higher low formation.

- But in between that zone there will be sideways auction very important we need to understand the behaviour of traders specially buyers or bulls so that we can stay with the trend.

LET'S LOOK AT EXAMPLES IN THIS BELOW TWITTER THREAD.
