Im going share something personal. I've was never a very religious person, however always believe in morals & ethics. One day day I started having dreams where I heard verses from the bible. I didnt know it at the time till I looked up the words. So I began studying scripture...

I study the etymology from the original translations. The words & meanings were lost in translation & have a much deeper clearer meaning. I tell you we are truly in biblical times, if you care about the world and others I implore you to please go back to the scriptures.

There are clear warnings about our health or food our way of life. Warnings relevant to this moment in time. Please do not be deceived by governments, corporations, pharmaceutical companies, pressure you to inject poison into your bodies.

How long? Is there anything in the hearts of the prophets who prophesy falsehood, even these prophets of the deception of their own heart

Rev 18:23

The light of a lamp shall not shine in you anymore, and the voice of bridegroom and bride shall not be heard in you anymore. For your merchants were the great men of the earth, for by your *sorcery all the nations were deceived.

I believe thought becomes reality, we are all creators made in God's image. I think if the collective consciousness awakens to everything & believes in a better world we will create one... i think that is why there is such an effort in control us the collective.

Quantum Physics, the Observer Effect... The observer effect is the theory that the mere observation of a phenomenon inevitably changes that phenomenon.

Language, religion, politics...everything has been corrupted, manipulated, used a tool to divide us. But if you look past any difference what is the core? Is it good or bad. Do you love or fear in your heart? Why do people pwr want to push us in a state of fear and divide us?

Multiple forms psychological warfare are being used. Some of the others are just so far away, so far gone, empty, zombies, i can't communicate w/ them at all disconnected. They are full of toxins, negative energy, fear & hate. They lost their light.

Children of Darkness.

Psalms 135:15-16

The idols of the nations are silver and gold, made by the hands of men. They have mouths, but cannot speak; they have eyes, but cannot see...

I'm going to go over something I found interesting in the etymology from Rev 9:18

Revelations 9:18

A third of mankind was killed by these three plagues, by the fire and the smoke and the brimstone which proceeded out of their mouths.

fire, smoke and brimstone" mentioned three times in these two verses (once with hyacinth instead of smoke)

Fire 4442- πυρ■ζ (puros, pyr)

fire; the heat of the sun, lightning; fig: strife, trials; the eternal fire.

Smoke 2586-καπν■ζ(kapnos)

Of uncertain affinity smoke...

(hyacinth instead of smoke)

"hyacinth"

(1) It is a bulbous plant of the lily family having spike-like flowers, suggesting the weapons of ancient warfare.

Brimstone 2303 - θε■ον (theion)

Thayer's- divine incense, because burning brimstone was regarded as having power to purify, and to ward off disease.
