■The philosophy of Charvakas■

This thread:-

- 2:- will show you similarities between the statements of Charvakas and so called Hindus who have no connection to their roots and still try to term themselves as Dharmic.

We have seen all sort of arguments coming out of their mouth you will be amazed by seeing similar arguments dating back to thousands of years . No progress in the field of atheism is made . It is 21st century

Although no book of charvaka philosophy is completely available but there are bits and pieces . Also this philosophy is mentioned in various other books written by our acharyas so that is enough material for a general view .

Now the Philosophy:-

■About Varna Vyavastha■

[illegible]

The Karmas related to ■■■■■■■■■■ are not fruitful.

[illegible]

There is no purity of castes , do as you wish instead of following jatidharma

■About atman and paraloka■-

The ■■■■■■■■■■ Sutra states :

■■■■■■■■■■ : ■■■■ : ■■■■■■ : (7)

The Body filled with chetana is the purusha no seperate entity exist other than this body .

■■■■■ ■■■■ : (29)

There is no ☐ ☐ ☐ ☐ ☐

XXXXXXXXXXXX XXXXXX XXXXXXXXXXXXXXXXXXXX XXXXXXXXXXXXX

XX

There is no other swarga and narak other than this earth .The imagination of Shivaloka is done by idiots . Pleasure of

women and fine clothes are the Swarga

■About Brahmanas and the scriptures■:-

Agnihotra , The study of the vedas and applying Bhashma these are the source of livelihood of lazy people

■■■■ ■■■■■■ ■■■■ ■■■■■■■■■■■■■■■■■■■■■■■■■■■■■■■ ■■■■■■■■■■■ ■ Why should one donate money in the form of Dakshinaam to the vessels ?

What is the benefit to you by plucking a flower ? Only on tree it results into a fruit . Why are you giving it to the “ idols of stones ” " Wear the flowers on your own head (Because acc to you God is omnipresent)

About the Rituals:-

If sacrificial animal attains swarga why not the Yajman kills his own father for swarga ?

■■■ ■■■■ ■■ ■ ■■■■■■■■■■■■ ■■■■■■■■■■■■■■■■■■■■ you people who are devoted to the animal in the form
of cow(are proven inferior)

if ■■■■■■■■ ■■■■ can satisfy the otherworldly creature , then the son should perform the ■■■■■■■■ at home for his father who has gone to foreign. But He does not seem to be satisfied

Quoting scriptures or Gods to validate degeneracy but not believing in them:-

As mentioned previously they quote “ Ishvar is omnipresent ” to make fun of murtipuja

Further they say that " Brahma and other Devtas who are worshipped by you , even they didn't rejected the Kama "

One should not have intercourse with a woman - this classical order - like conceit was violated by Vajdhari Devraj Indra himself . He had sexual intercourse indirectly with Gautam ' s wife Ahalya .

Charvakas quote " [redacted] [redacted] [redacted] [redacted] [redacted]
[redacted] [redacted] (BU [redacted]) to prove that Body is atma .

Similarly they say "Vishnu,shiva used to drink liquor".

Degeneracy and YOLO lifestyle

■■■■■■■■■■■■■■■■■■■■ ■■■■■■ ■■ ■■■■■■ ■■■■ ■■■■■■ ■■ As long as you live , live with pleasure

■■■■■■■ ■ 14 ■■■■■■■■■■■■ : ■■■■■■ : 15 , ■■■■■■■■■■■■■■■■■■■■■■ 16 There is pleasure in eating meat
 , Having relationship with women , watching beautiful women

[illegible]

Our philosophies exist since time unknown so you can't say "that we are following such such people based on some common similarities" . But your neo philosophies they are surely influenced by these vedic people.

Books used for reference:- Barhspaty Sutras and Barahspaty ■■■■■■■■■■■■, TatvaSangrah, Sarva siddhant sangraha of Shankracharya, Naishadhiya charita, ■■■■■■■■■■ ■■■■■■■■■■, Prabodh chandroday.

In future, I will provide you the basic refutation of charvaka philosophy . So it will be easy to handle the atheists.
