We all know about Sri Ram & His family members. How many of us know Sri Rama ancestors? Let's go with a #Thread

According to Srimad Valmiki Ramayana, Vasishta Maharshi introduces King Dasharatha's Family Tree to King Janaka just before Sri Sita Rama Kalyanam.

@LostTemple7

Lets learn Sri Rama's ancestors

From Bhagwan Brahma- Marichi

Marichi's son Kashyapa Prajapathi

Kashyap's son Vivaswan (Surya Bhagwan)

Vivaswan's son Manu

Among 10 son's of Manu 1 was Ikshvaku.

Ikshvaku made Ayodhya his capital & this way Ikshvaku generation came into existence.

Ikshvaku's son Kukshi

Kukshi's son Vikukshi

Vikukshi's son Baan

Baan's son Anranya

Anranya's son Pruthu

Pruthu's son Trishanku

Trishanku's son Dhundhumaar.

Dhundhumaar's son Yuvanshva

Yuvanshva's son Maandhaata

Maandhaata's son Susandhi

Susandhi had two son's-

Dhuvasandhi & Prasenjeet

Dhuvasandhi son Bharat

Bharat son Asit

Asit son Sagara

Sagara son Asamanj

Asamanj's son Anshuman

Anshuman's son Dilip

Dilip's son Bhagiratha

Bhagiratha was the one who brought Maa Ganga to Earth

Bhagiratha's son Kakutstha.

Kakutstha's son Raghu.

Raghu was well-known for his warrior & brilliance, hence future generation came to be known as Raghuvansh, thus generation came to be known Raghukula

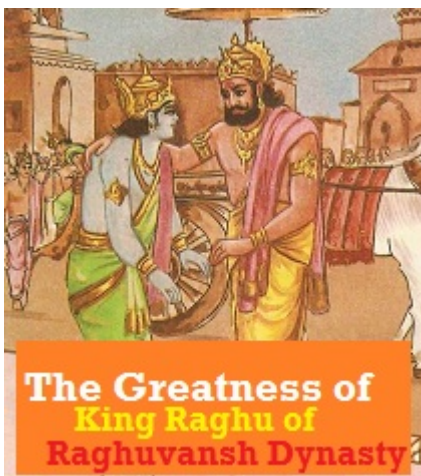

Raghu's son Pravrudh

Pravrudh's son Shamkhan

Shamkhan's son Sudharshan

Sudharshan's son Agnivarna

Agnivarna's son Shighrag

Shighrag's son Meru

Meru's son Prashukshuk

Prashukshuk's son Ambarish

Ambarish's son Nahusha

Nahusha's son Yayati

Yayati's son Nabhag

Nabhag's son Aja

Aja's son Dasharath

Dasharath had four sons - Ram, Bharath, Lakshman & Shatrughna. In 39th generation Sri Ram was born.
