The query is...

So, why did Prabhu Shri Ram send Mata Sita to the forest? Nothing except anguish and misery, & he has still chastised for his actions thousands of years later.

Shri Ram, on the other hand, followed his Dharma & upheld the acknowledged ideals of perfect kingship.

It may not be acceptable to the modern man, who is unconcerned with Dharma.

Shri Ram is all about Dharma's character and behavior.

It is Shri Krishna's mission to build Dharma.
