### #Thread On Shri Satya Narayana Vrat Katha!

Once Devarshi Narada came to the Mrityulok while visiting various lokas, he saw that here man is suffering from many kinds of sorrows, and according to their bad deeds,

he took birth in many types of Yonis and got punished for their deeds. He started thinking about, the solution that can definitely reduce the suffering of all of them. With this thought in his mind,

he went to the shelter of Bhagwān Satyanarayan and bowed to him heartily. Seeing Narad ji anxious like this, Shrihari Vishnu asked him the reason for his problem.

Narada ji said,  
Prabhu you are Antaryāmi ,how could anyone hide anything from you?

However, if you have asked, I will tell you .In Mrityulok, according to their deeds, all of them are born in various Yoni and are suffering in many ways

Prabhu!  
Kindly tell me, what is the solution that will surely end this affliction of human beings?

Seeing this kindness of Narada Muni, Shrihari Vishnu said, Now I tell you about such a very Sacred Vrat Katha which has the auspicious name "Satyanarayana Vrat",

which is very Phaldayuk on Devaloka and PrithviLok, through which One gets freedom from all his sins and gets Moksha

One gets freedom from all his sins and gets Moksha and become free from BhavSagar. Hearing this, Maharishi Narada asked,

Prabhu!

What is the Phala of this vrat, what is its method, and who did this vrat and when? Please tell me in detail.

Hari Narayana describes all these methods in detail -

●Vrāt Phala: This vrāt eliminates all kinds of sorrows of human beings, this vrāt provides good luck, peace and Prosperity everywhere.

●Vrat Vidhi : This vrat katha can be done on any day, but Satyanarayana Dev

is satisfied when he is worshiped at the time of evening. Bhagwān accepts everything which is offered with devotion,

but it also has some rules, such as Prasad is made of pure substance, Prasad should be according to a quarter (like a quarter of a quarter,

quarter of a pound, a quarter of a kilo, etc.).Banana, ghee, milk, wheat flour,

when wheat flour is unavailable then rice flour, and sugar or jaggery should be offered, then after listening to the story with friends and household people,

we should pay alms to our Purohit Brahmin After that, you should depart from there only after receiving the prasada,

thus after completing this Vrat Katha ,a man definitely gets the desired result, especially in the Kaliyuga This Vrat is the only way to get

Who did this fast and when?

In the past, a Brahmin used to live in Kashipur village, he used to be distraught with hunger and thirst always and wandered here and there on earth, overseeing the Brahmin as unhappy, Shrihari Vishnu took the form of oldman

And after listening to all his agony from the the Brahmin, Srihari Vishnu told the Brahmin the method of "Satyanarayana Vrat" and said that you should do Satyanarayana, this frees man from all kinds of sorrows, after this Prabhu Hari get disappeared.

Then the Brahmin returned home thinking about Narayana, and now he understood that Narayana has told him to do this brat katha and in the thought of this vrat he got so lost that he did not sleep at night, in the early morning with the Sankalp of " Satyanarayana Vrat Kath " "

he went to take alms, on that day the Brahmin received abundant wealth , after which he fulfilled the vrat katha in a lawful manner, after which that Brahmin becomes free from all kinds of sorrows and endowed with wealth. After that, he started Satyanarayana vrat every month and

finally he attains Moksh.

Whoever listens this Mokshdayani vrat katha will surely keeps his wealth and health rich with Daydrishti of Lord Satyadev. With this, the poor get money, the prisoner gets rid of the bondage,one overcomes his fear & he enjoys the ultimate happiness

and definitely attains Satyapur - The Above of Shri Hari Vishnu. Some people called him Satyanarayana, and some Satyadev, he takes many forms and showers grace on everyone, Sanatan Satyadev will appear in the form of Satyavrat (Kalki) in Kali Yuga.

Other katha ...

सूतजी बोले—ब्राह्मणो! नारायणने महात्मा नारदको जैसा कहा था, ठीक वैसा ही मैंने आपलोगोंसे कह दिया। अब और क्या कहूँ।

ऋषियोंने पूछा—इसके बाद पृथ्वीपर इस व्रतका अनुष्ठान किस मनुष्यने किया था? हे मुने! यह सब हम सुनना चाहते हैं। इस विषयमें हमारे मनमें बड़ी श्रद्धा उत्पन्न हो गयी।

सूतजी बोले—मुनियो! उसके बाद पृथ्वीपर किसने यह व्रत किया था, सो सुनो। एक दिन वे श्रेष्ठ ब्राह्मण अपने बन्धु-बान्धवोंके साथ अपने वैभवके अनुरूप व्रत कर रहे थे। इसी समय वहाँ एक लकड़हारा आया। लकड़हारेने लकड़ी बाहर रख दी और वह ब्राह्मणके घरके अंदर चला गया। उस समय वह प्याससे पीड़ित था। उन ब्राह्मणको कार्यमें लगे देखकर प्रणाम करके उसने पूछा—‘महाराज! आप यह क्या कर रहे हैं?’

ब्राह्मणने कहा—यह सत्यनारायण-व्रत है।
