It is said that Sabarimala is part of Shat(6) Chakra temples.

There are 5 sastha temples that one should visit in a specific order before darshan at Sabarimala.

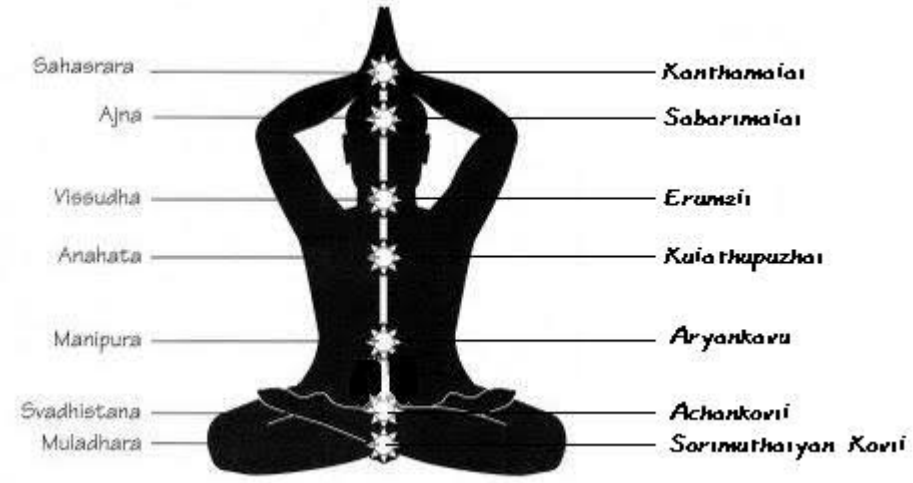

Each of these temples work on one of chakras,from Muladhara to Ajna.The Sabarimala Kshetram is related to Ajna Chakra.

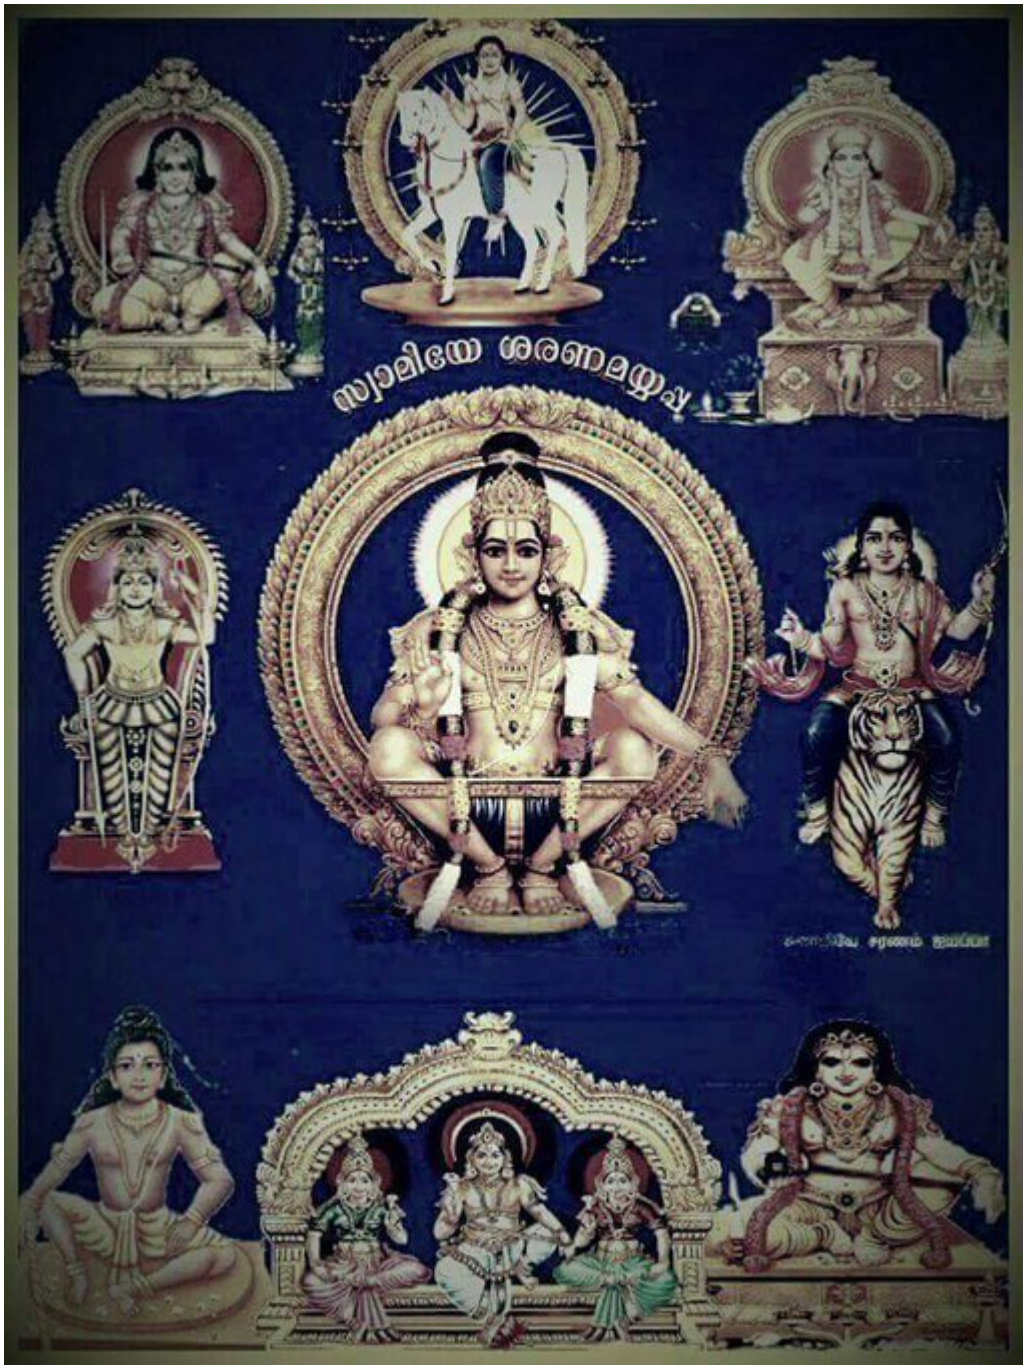

Soori Muthiyan temple of Sastha
along with -Achankoil, Aryankavu, Kulathupuzha & Erumli are the 5 temples to be visited before Sabarimala - Mukti sthalam.

Those on sabarimala pilgrimage should visit Soori Muthiyan temple to wear the mala & proceed to other 5 temples.

Soori Muthiyan temple is located near Tirunelveli in Tamilnadu - Rest 5 temples are located in kerala.
