Look at the farmer with a brick in his hand, facing a cop with a gun.
If you don't think the farmer is a terrorist - and I hope you don't - if you empathise with his anger, I hope you'll think again before you call a Kashmiri kid with a stone in his hand a terrorist.

Rasode ka Factchecker @zoo_bear during Sri Lanka suicide bombings defended Terrorists and instead attacked Indian Journalists calling the letter shared by them as Fake

The letter was Correct

Why was a Fact Checker so worried about defending Islamic Terrorists?
