A WA forward on what #YogiAdityanath has done for UP:
Last 5 years of UP:

Expressways started in 2008 when Mayawati started constructing Yamuna Expressway connecting Noida to Agra - It was her dream project of 166 KM. That's UP for you ■■

then came Akhilesh Yadav who started Lucknow Metro and did 90% work on Agra - Lucknow expressway connecting Yamuna Expressway to Lucknow of 302 KM.

Then Starts Yogi era of UP and Now I will explain what Yogi-Modi accomplished in UP in 5 years
■ Purvanchal Expressway connecting Lucknow to Ghazipur - 341 KM
■ Bundelkhand Expressway connecting last part of Bundelkhand with Delhi - 296 KM It will open before Yogi's 1st term.

■ Gorakhpur Expressway- 92 KM connecting Purvanchal Expressway with Gorakhpur, This too will open before Yogi ends his term in March.
■ Delhi - Meruth Expressway - 73 KM
■ Eastern Peripheral Expressway- 87KM
■ Noida - Greater Noida Expressway - 25 KM

■ Kanpur Metro - Starts Operation in January
■ 30 Medical Colleges Built and Start Operation before Yogi completes its first term and 16 Medical College is under construction which will operate probably by 2022 end.
■ Varanasi Ring Road will complete before 1st term ends

■ Lucknow Ring Road of 102 KM will be completed before Yogi complete first term.
■ Agra Metro is under construction and it will start operating by second half of 2022.

■ New Terminal in Lucknow Airport, New Terminal in Prayagraj Airport, New Terminal in Varanasi Airport. Brand New International Airport at Kushi Nagar. 6 New Domestic Airport already operational and 2 International Airport now under construction.

■ 1 AIIMS in Gorakhpur constructed and will be completely operational before Yogi ends his first term. AIIMS in Raebareli construction of Phase 2 ends and it's 100% operational.
■ Bharats biggest Cancer Hospital constructed and starts at Lucknow.

More than 12 Big Hospitals constructed at Kanpur, Prayagraj and Varanasi combined.
■ Brand New YEIDA City is being expanded and Huge region of Noida - Greater Noida and YEIDA is becoming biggest Manufacturing Zone of Bharat.

■ More than 1 lakh Primary Schools Infrastructures completely changed and became smart.
■ Solar Energy tripled in UP, Transmission Lines trippled in UP and minimum of 20 hours of electricity across UP in every village is insured.

■ Ayodhya Ram Temple, Kashi Vishwanatha Corridor and Vidhyanchal Corridor gets constructed to make religious Epicenter.
■ UP became second in GDP defeating Gujarat and Tamil Nadu in 5 years. UP Budget gets more than double of size in 5 years.

■ 594 KM Ganga Expressway 94% Land Acuisition done and Bidding is already completed, soon Construction starts. 71 KM Kanpur Lucknow Expressway 85% Land Acquisition done.
■ Delhi Dehradun 191 KM Expressway Under Construction.

■ All Dacoit, Looters, Rapists are either killed, surrendered or ran away. All their properties are confiscated and destroyed.
■ Now Work didn't happen only in Lucknow. There are about 10 Cities that are growing like never before in UP.

Gorakhpur emerged as highest growth city in Purvanchal, Varanasi, Prayagraj, Bareli, Jhansi, Kanpur, Meruth, Ayodhya, Agra etc are developing like never before.

Defense Corridor having 6 nodes - Kanpur, Lucknow, Jhansi, Chitrakoot, Agra and Aligarh is rising like never before. More than 10,000 crores are under Investment and Construction.

■ 1.5 lakh Police Recruitment completed without Corruption, 93000 Teacher recruitment completed without completion. In total more than 5 lakh Government Job given in last 5 years. Under One District One Product over 20 lakh Job created and delivered.

■ Farmers are getting paid in full and directly into account, UP Government is one of those who procure more than 85% of crops at MSP.

This Story is just the beginning. UP has a long way to go.
