FAKE quote!

Such a verse is NOT FOUND in any authentic Ravidas Bani.

Nowhere in his poems does Sant Ravidas say "I proclaim all Vedas as worthless".

This is a new scam in the market. Appropriation of Hindu history and Hindu saints by anti Hindus to boost their own legacy.

I, Ravidas, proclaim all Vedas as worthless...

Best wishes to all on [#HappyRavidasJayanti](#) pic.twitter.com/muJq2k6ox5

What Sant Ravidas actually said (when he was asked to convert to Islam by Lodhi):

"The religion of the Vedas is the greatest. It is the treasure trove of matchless knowledge. Why then will I abandon the Vedic Dharmic and read the untrue Quran?"

From Ravidas Ramayana(16th cent):

False quotes denigrating Hinduism are circulated in the name of Sant Ravidas as he was a great Hindu Sant from Dalit background.

This represents a challenge to people who want to spin the caste narrative of opposition of Dalits to Hinduism. They want to break this connection
