A demon Mura had become so powerful that the Devas had to seek Sri Hari’s help.

Sri Vishnu and Mura fought for about 10,000 years.
After that, Sri Vishnu went to Badrikashram to take rest at Hemvati Caves.

Demon Mura chased Sri Vishnu and tried to attack him while sleeping.

Then, Shakti adorned with all weapons emerged from Narayana’s body and killed Mura.

This Yogmaya was blessed by Sri Hari who gave her the name Ekadashi.

Ekadashi was given the boon that anyone fasting with devotion on this day would enjoy worldly pleasures and attain

moksha.
