Shree Kashtabhanjan Dev Hanumanji Mandir Salangpur, #Gujarat

It is dedicated to Hanuman ji in the form of Kastbhanjan.
It's exterior is built in tiers of dome structures with golden tops. There are carvings on the exterior walls. The mandir is big and spacious.

The murti here is a stout figure with a handlebar moustache, crushing a female demon under his foot & baring his teeth.

The back ground for the murti is sculpted trees with fruit bearing monkeys. The 'gadha', which is the weapon of the prabhu is placed in from of the murti.

It comes under the Vadtal Gadi of the Swaminarayan Sampraday.
The murti was installed by
Sadguru Gopalanand Swami.
It is the only Swaminarayan mandir which has the murtis of neither Swaminarayan nor Krishna as the primary object of worship.
