Situated at Karmanghat of Hyderabad this is a famous Hanuman temple. Kakatiya ruler while hunting heard Chanting of Ram Naama and found this sitting position of Hanuman Vighram & prathista was done here. Pawan Putra Hanuman showers his blessing to all here.

Story is related to Aurangzeb Invasion, when he couldn't enter the temple premises. Aurangzeb ordered his army to destroy the temple, his army men tried to enter the temple but some strong force stopped them. When they informed the matter to Aurangzeb he himself went to check.

When reached near he heard a voice saying

With fear he fled from that place. Karo Man Ghat later changed into Karmanghat later. Ramanavami and Hanuman Jayanti are very famous here.
