#Detroit, Woodward & E Vernor, 1905-2021. These views show St John's Episcopal Church, consecrated in 1861. The road to the left was originally High St, but changed to Vernor in the 1920's. Moved back 60' in 1936 for Woodward widening; the I-75 cut replaced Vernor in the '60's.

Library of Congress
