## PANDAVAS MET KUBER AND HIS CURSE WAS NULLIFIED / ELIMINATION OF DEMON JATASUR AND MANIMAN

**Bhima went in search of fragrant Lotus and Arjun was in Indrapuri acquiring Divine Knowledge, that time Demon Jatasur got an opportunity to take Revenge of his Demon brothers which Bhim killed.**

**He was staying with Pandavas disguised as Brahmin, but now he came in his original form as Jatasur, picking up Draupadi, Yudhishtir, Nakul and Sahdev. He was ultimately killed by Bhima who spotted them**

**That time a celestial voice asked them to go back to Badrika ashram and then proceed further. After few days they waited for Arjun and decided to go towards Gandhamadan. As told by the Celestial voice they went to Sage Arshtishen Hermitage. They were welcomed by Sage Arshtishen who preached good thoughts and talked about philosophy of life.**

**But he warned Pandavas not to venture out deep towards Kuber bhavan as it was guarded by fierce Yakshas and Demons.**

**The thought of Demons infesting such beautiful place irked Draupadi. She told Bhima to kill these Demons and she also added that if Arjun would be present he would certainly would have eliminated these Demons. A pride filled Bhima started climbing the Mountain in haste. As he reached the beautiful garden of Kuber, he was stopped by Yakshas and Demons. Bhima attacked and started killing these Demons and Yakshas.**

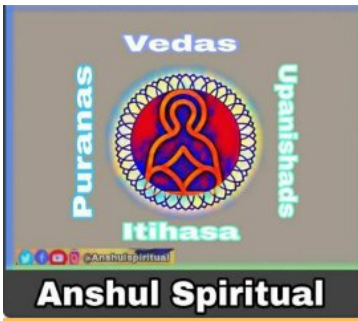

**Nearby a Demon Mainman, who was a friend of Kuber was informed about this attack.**

**He too fought with Bhima and was killed. Someone informed Kuber about the death of his friend Mainman.**

**Kuber with red eyes full of anger, calls for his chariot and marches towards Kadli van where all the Pandavas have assembled.**

**Meanwhile Yudhishtir reprimands Bhima for such cowardly act. He tells Bhima that by immediate action steps are taken as per Law not in haste.**

**Then again the horribly wrong thing was done by Bhima and was warned never to repeat these actions.**

**Saying this Yudhishtir becomes quiet.**

**Meanwhile Kuber comes there. Everyone is surprised that instead of being angry, Kuber happily greets the Sages and Pandavas. He assures Bhima that he is not angry but is glad that his curse given by Sage Agastya was nullified eventually by Bhima's action. As it happened once when Kuber was returning from Indra sabha with Yakshas, that time Sage Agastya was worshipping sun with hands straight above his head.**

**That time Mainman spit on Sage's head. An angry Sage cursed Kuber that he overlooked the insult done by his friend Maniman so Kuber will be sorrowfull until the time Maniman will be killed by a man whom he would first be angry and then would be happy with the man.**

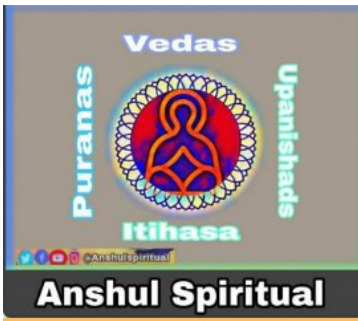

**So he is happy to be rid of that sin as that man was Bhima.**

**Kuber then preached to Yudhishtir about many philosophical things. He described the importance of Meru and it's relation to the Sun.**

**He very scientifically explained the importance of Sun with reference to its movements.**

**When Sun goes to north or south side is cooler. Its sunshine destroys all the darkness just as Knowledge destroys the sins. East side is protected by Indra and Kuber which is the place of rising Sun, south by Yum which is also known as Sayamnipuri. Meru is the place of Brahma and seven Rishis. It is the origin of all directions. Above the pinnacle of Meru is Brahmaloak. And above it is the abode of Narayan.**

**After discussing many other things Kuber also informs them to expect Arjun shortly.**
