Keep Prisons Single Sex
@NoXYinXXprisons

"We strategised that by working intensively with Scottish Prison Service to support them to include TW as W on a self-ID basis within v challenging circumstances, we wld be able to ensure that all other public services shld be able to do likewise." James MORTON.

Prisons was seen as an easy win which set the precedent so gender identity would be the criterion of admission to single-sex services.
Deliberate. Calculated.
And here we are.

Sorry for previous typo....
