A coordinated concentrated effort is being made by so called NGOs and then then propagated by Pakistan sponsored social media units to project India as persecutor and fuel disturbance from within the nation, among the community.

It's high time to expose these entities

When users on social media flagged fake news reporting and propagating fake agenda on twitter of this handle, someone came to cry foul and rescue - GLOBAL TIMES.
Yes, it's huge. Isn't it ? What mutual interest does China have with a Pak operated propaganda handle.

The group that ran the Hindutva Watch handle on Twitter - which flagged instances of violence and bigotry from an extreme form of Hindu nationalism - had long been accustomed to being abused and trolled for content critical of the Indian government.

But even they were stunned when the account - with nearly 26,000 followers - was abruptly suspended in April 2021 with no reason given.

Now let's come to "International Christian concern"
So called NGO- serial fake news peddler.

Remember john chau who illegaly sneaked in Andaman and then killed by sentinels.
However , ICC termed this as
"Hindu radicals attack"

Charity in India Started by Mother Teresa Blocked from Receiving Foreign Funds

12/28/2021 India (International Christian Concern) – According to Christianity Today, India has blocked the Missionaries of Charity, a charity founded by Mother Teresa, from receiving foreign funds to operate in India. This development comes more than a week after the charity was falsely accused of engaging in forced religious conversions.

On Monday, India's Home Ministry announced that the Missionaries of Charity's application for renewing it license to receive foreign funds was rejected. This rejection reportedly was made on Christmas.

The only explanation provided by the Home Ministry for the decision was that it came across "*adverse inputs*" while considering the

Many have appealed against the MHA’s decision. In the MoC’s case, the extension was granted despite their not going in for an appeal.

Linking MHA’s specific legal action to other controversies and casting aspersions on all missionary institutions only perpetuates the myth that Christians r being persecuted in India
Charity and service are not new to India,nor r they exclusive domain of any religious institution

The Indian Constitution zealously safeguards “freedom of religion” as a fundamental right. It was in this spirit of pluralism that PM Modi met the Pope and invited him to India.
This never featured in ICC journal -- why ??

Summary
1.ICC publishes an article terming Indian PM an oppressor
