Hanuman Ji is immortal for ages as a result of his devotion to Prabhu. Even today many people claim to have a sakshat darshan of Hanuman Ji. It is believed to be where the recitation of Ramayan takes place. Hanuman Ji appears there.

A mysterious tribe named Mathang lives in the jungles of Sri Lanka. The living and eating habits of the tribe are completely different from the rest of the world. Their language is also different. The relationship of this tribe is completely cut off from the outside world.

It is said that according to a vachan given in Treta Yug, Hanumanji comes to meet the people of this tribe after every 41 years. When Hanuman Ji comes to meet the people of the Mathang tribe, he gives divine knowledge to them and the people here serve and worship Hanuman Ji.

Whenever Hanuman Ji comes, the divine knowledge is given by him and everything is written in a special kind of booklet. This booklet is known as Hanu Pushtika. It is very difficult for common people to translate Hanu Pushtika.

27 May 2014, this was the last date on which Hanuman Ji had come to meet the people of this tribe. It is believed that Hanuman Ji will come again in 2055 to meet the people of the tribe and give divine knowledge.
