On May 18, 2019 Ginni Thomas was a guest speaker at an invitation only Council for National Policy event with an audience of GOP donors in McLean Virginia. Her presentation is something to behold. Especially if you're interested in coups.

Wait until you see this wee ■■■

As you know by now, Ginni Thomas is married to Coke can enthusiast and Supreme Court Justice Clarence Thomas. Ginni has been trying to install a libertarian theocracy in the US foreva eva. On this particular Saturday at the Ritz, she put forth a plan.

First, let's see who else was in attendance at this closed get together. According to their agenda, they were to receive a House Freedom Caucus update from its chairman. In 2019, the House Freedom Caucus was made up of tea partiers and was led by Mark Meadows.

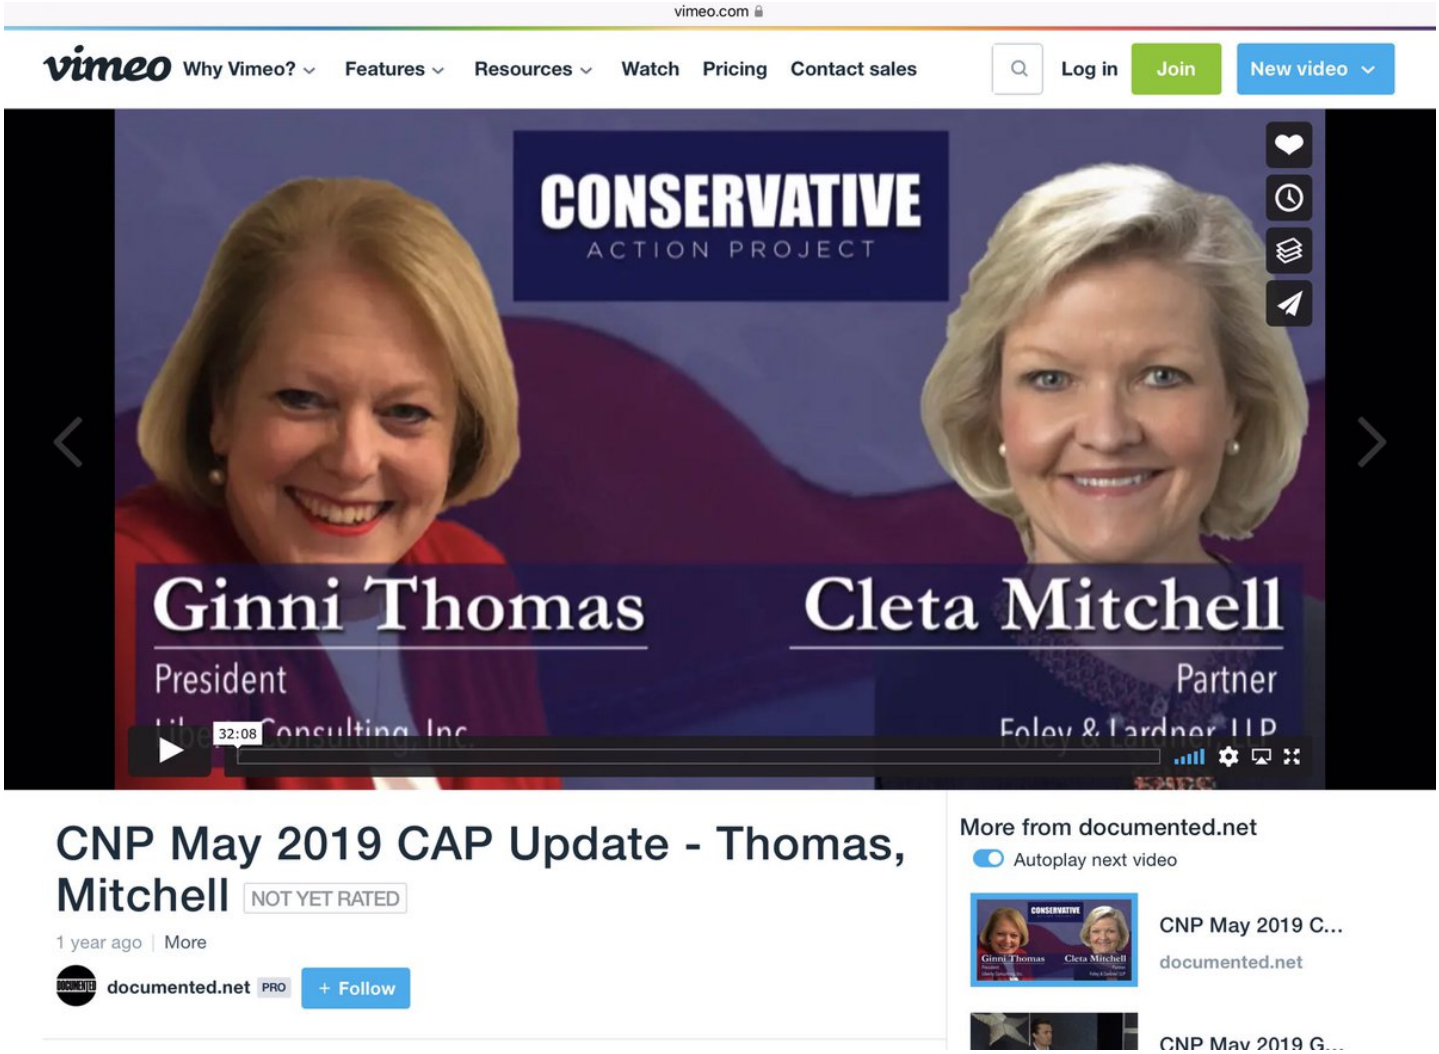

You'll remember Mark Meadows from such criminal referrals as not complying with @January6thCmte Congressional subpoena. He was also the White House Chief of Staff during an insurrection and also from the numerous texts he exchanged with Ginni Thomas.

Actually, look at the entire agenda for this meeting. It's a who's who of the insurrection. Besides Meadows and Thomas was Cleta Mitchell, trumps lawyer who made sure AZ frauditors got paid, Peter Navarro from the presentations to sweep away democracy…

Josh Hawley was there, so too was, Mike Pompeo, TPUSA's Charlie Kirk, James Corsi from 2016 Roger Stone fame, Judicial Watch's Tom Fitton, Fox's Mark Levin whose wife was on trumps 1776 committee, you get the picture. People from the whiteboard who work against democracy.

As I mentioned, during the Conservative Action Project update portion of the exclusive CNP agenda, Ginni Thomas and Cleta Mitchell each gave a presentation to the crowd. Mitchell focused on the ✌■charities✌■(■1) Thomas spoke of a few things…

Right off the bat she thanks the CNP for putting herself, Cleta Mitchell and Charlie Kirk all together and says ‘watch what happens.’ This was in 2019! It’s almost 3 years later and hearing that sent a chill down my spine.

Her presentation begins by telling the audience ‘the left has won the culture war’. She praises rush Limbaugh, Charlie Kirk, and Tucker Carlson for fighting the culture war.

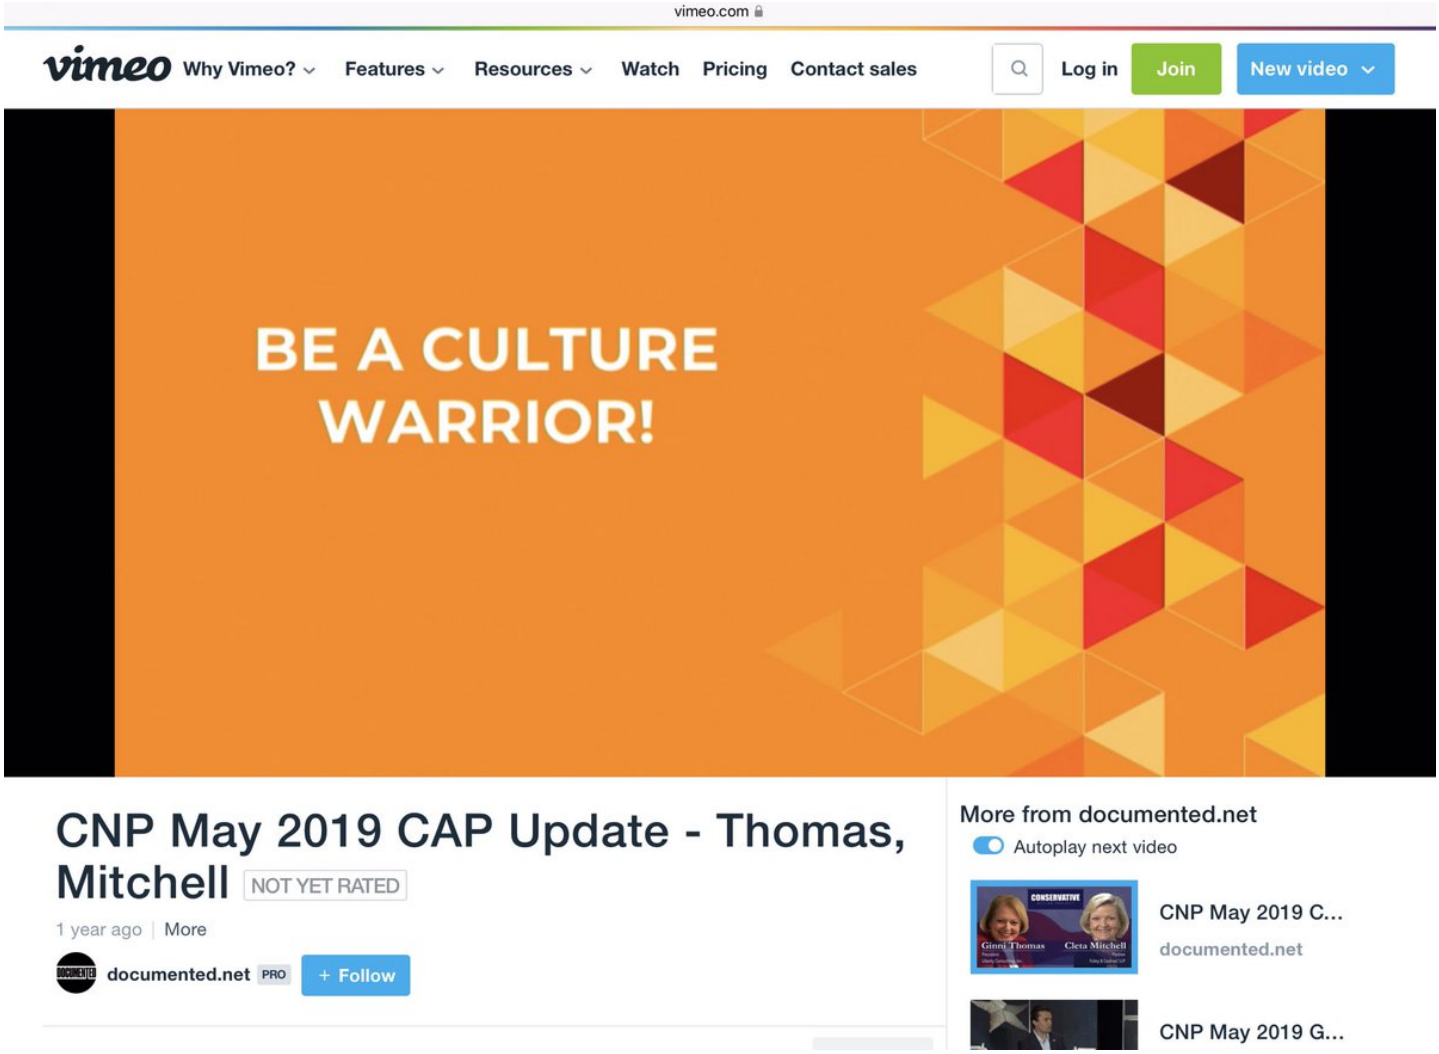

Thomas is laying the groundwork for what we are dealing with today.

She peddles in fear. She tells the crowd about how one can’t even wear a MAGA hat without fear of attack.*

*Just a reminder, when the pandemic stuck, people were attacked for wearing masks, but do go on Ginni.

This idea of creating ‘culture warriors’ is prevalent throughout Ginni Thomas’ presentation. She says the left is aligned and the right is splintered. Siloed. She is calling for a singular tactic to be used in the future.

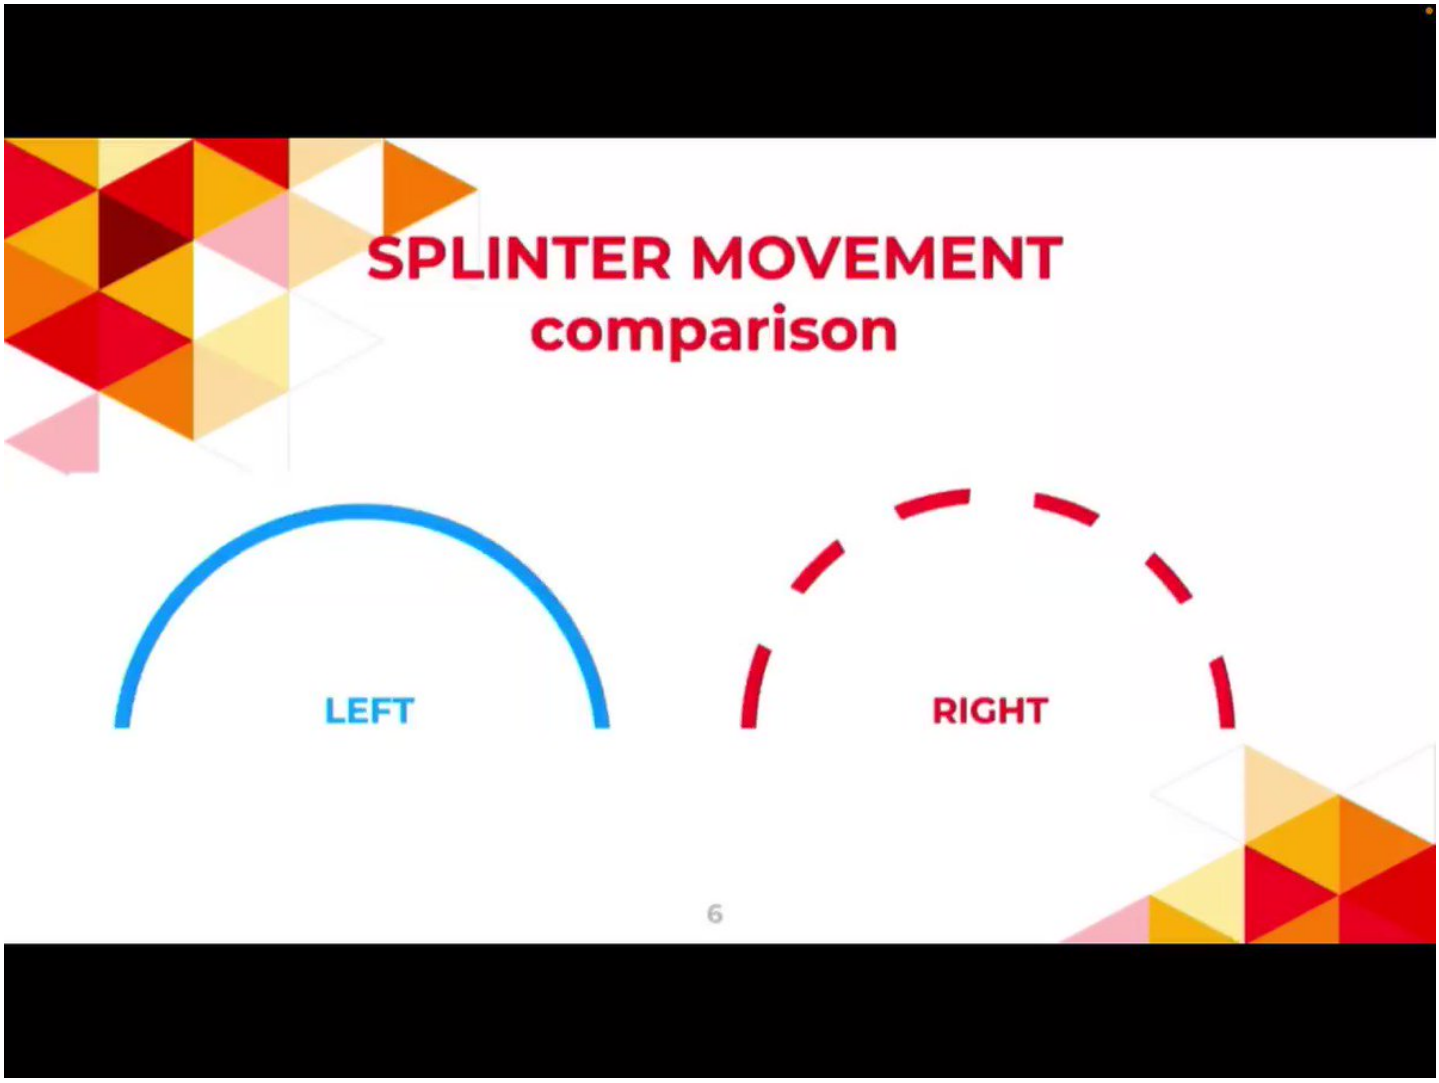

Apparently when the right aligns, there is a coup.

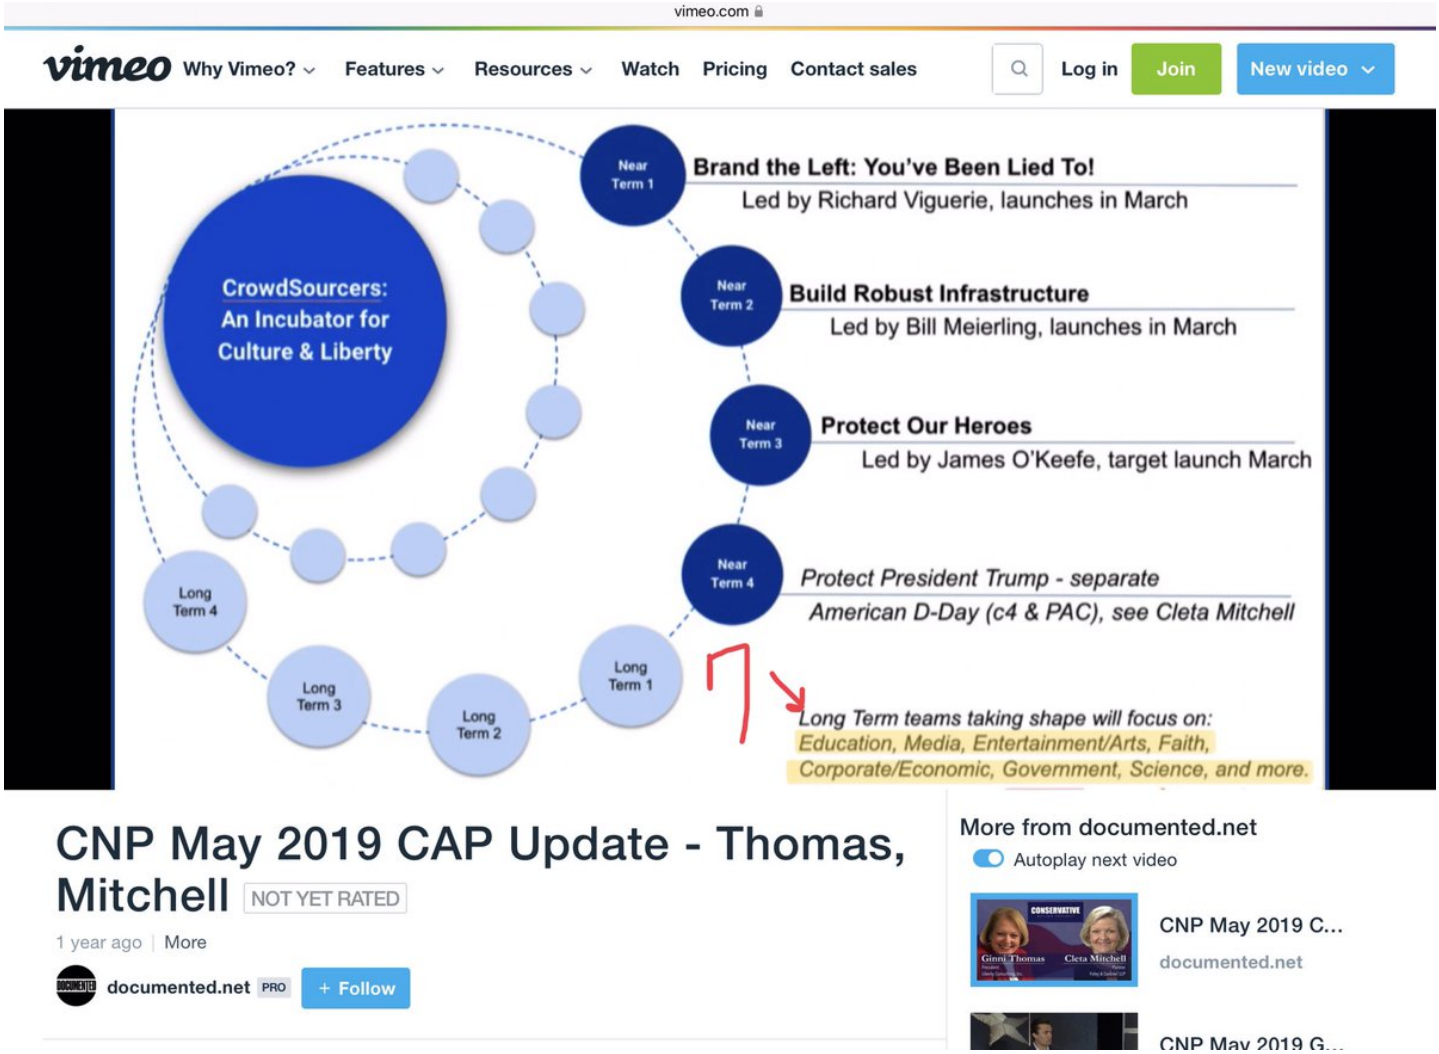

I can’t stress enough how important what I am about to tell you is.

This is so important, you need to hear it for yourself.

Who are the ‘35 best thinkers’?
How did they ‘fill in the gap’?

In her presentation, Ginni Thomas also speaks of ‘culture lanes’ and referenced a ‘summit’ she attended in January (of 2019). It was at this summit that Ginni heard about these ‘culture lanes’. There are 7 of them, the summit was with United in Purpose and it’s the 7 mountains.

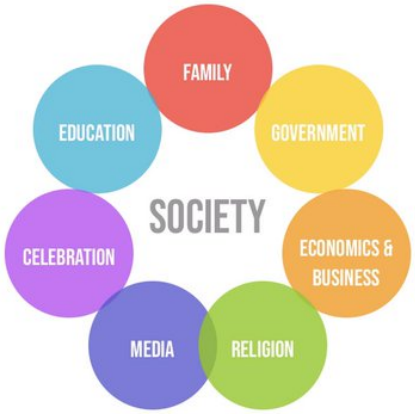

And also, it's Al Hartman's Great Awakening Project's 7 Spheres of influence.

SEVEN SPHERES OF INFLUENCE

Spheres of influence are a strategic framework for impacting and awakening the Church toward repentance and revival.

The Great Awakening Project, like other ministries and organizations, uses Loren Cunningham's framework of seven Societal Spheres when describing points of project emphasis. To impact society for Jesus Christ, as believers we must be unified in our efforts to affect all Seven Spheres.

We unify and collaborate with other like-minded believers in contextualizing Biblical Worldview into each sphere of influence.

FAMILY

Family is an institution created by God. When the love and commitment of humans to the moral and Biblical covenant of family are broken, it leads the way to almost every other societal problem imaginable.

If you think a coup can be planned and executed spontaneously, think again. This Ginni Thomas presentation should be right up there with Peter Navarro's, Phil Waldron's, John Eastman's and any other path to a coup document.

This was the foundation upon which the insurrection was built, and she got it from United in Purpose. This is the Christian fundamentalist right, not throwing away their shot. The plan is here. We can see it. And we now know it was being discussed at least as early as Jan 2019.

This…cabal really, led by Ginni Thomas, waged a culture war on the rest of us. They are literally trying to install a Christian Authoritarian leadership (■2) because they don't believe in our society. We are a free people, they want to tell us what to do. That's not freedom.

Reporters, please find out more about the 'first summit' Ginni speaks of, where she was told about the 7 'culture lanes'.

UIP scrutiny may lead to financing.

Please see what is happening here.

I'm not saying they planned a coup in that Ritz-Carlton on May 18th, 2019, but there was an attempted coup and this looks an awful lot like part of the plan.

■1 was about Cleta Mitchell discussing how the GOP needs to create ■charities■to embrace more dark money. @SenWhitehouse

Here she is involved in the Arizona fraudit. https://t.co/aixY52Xtel

Another was a trump lawyer who paid disbursements to the staff who performed the AZ audit, (and friend of Ginni Thomas) Cleta Mitchell. https://t.co/gvxBt92dvW pic.twitter.com/IqYcY8EwCl

■2 was about installing a Christian authoritarian leadership. Here's how they went about doing that. Get a drink first and make yourself comfortable. https://t.co/gbr3a7FX2o

> I don\u2019t think people grasp just how dangerous psychological operations are. At their core, they are weapons. The point is to shift an entire population to one way of thinking. And that way is the way you want others to think. A psyop is a mental hijacking. This is not a wee\U0001f9f5\U0001f447\U0001f3fb
