@vivekagnihotri Vietnam defeated America after a terrible war that lasted for 20 long years (1955-1975). After the victory, a journalist asked the Vietnam president, "How was the victory achieved? How did Vietnam defeat a country like America?!!!"

@RameshR63089477 @vivekagnihotri The Indian official replied in astonishment that it is in Raigad, Maharashtra. The minister came to Raigad and paid respects at Shivaji Maharaj's resting place. And then he took a handful of soil and deposited it with reverence into his bag.
