Teesta Files - Part 1 (Thread)
The lady who took supari to finish Modi

On Juhu road, most posh area of Mumbai, near to Amitabh Bachhan Bungalow there is a bungalow called "Nirant" that is 3 times bigger than Amitabh's Bungalow, cost of that bungalow is Rs 500 crore.

That Bungalow belongs to Social Activist Teesta Setalvad (TS).
How did a simple activist earned so much money ?
Why Sonia Gandhi gave her Padam Shri in 2007 ?

This is the spin chilling thread of harassments, fake narration building, misuse of courts, govt, system n NGO

TS's is a Guajarati, her great grandfather was loyal to Britishers, her grandfather was loyal to Nehru n was first Attorney General of India. All the anti Hindu laws of 50s were passed by Nehru on his consultation. Her father was also Sr. advocate. https://t.co/wxj4AzJ5aG

She started her career as Journalist n covered riots of 1993. She married to Javed Anand. She was communist ideologist from childhood n started getting fund from Ford foundation for her NGO in 90s

TS and her husband, along with Father Cedric Prakash (a catholic priest), Anil Dharker (a journalist), Alyque Padamsee, Javed Akhtar, Vijay Tendulkar and Rahul Bose set up an NGO named "Citizens for Justice and Peace (CJP)" on 1 April 2002

She started to file case after case on Gujarat govt. Her allegations was Gujarat govt was responsible for 2002 riots. She filed lot of cases against Modi govt but in this thread I will talk only abt Zakia Jafri case.

Gujarat riots happened in feb, march 2002. An Hindu mob burned a Muslim dominated Gulbarga society at Ahmedabad in which 69 people including Congress MP Ehsan Jafri burned alive. His wife Zakia Jafri survived the carnage.

In 2004, Congress came in power in central.

Till 2005, Rajmata has realized that rising Hinduism is rising in India n Modi was emerging as Hinduism poster boy so she wanted to settle Modi so she made a team of 5 people.
1. TS (litigation)
2. Sreekumar (Police)
3. Sanjeev Bhatt (Police)
4. Mukul Sinha
5. Rana Ayyub (Media)

Sreekumar was most notorious police office. he was the man who set scientist Nambi Narayan in false case on orders of rajmata in 1995 who had developed cryogenic engine and cud lead India way ahead to USA. He was DG of Ahmedabad at the time of riots.

Plan was to finish Modi in 3 steps
Step 1 : Media trial to pressurize Modi
Step 2: Litigation n to prove that fair trial not possible in Gujarat n shift trial to Supreme Court
Step 3: Finish Modi through Supreme Court.

Since 2002, Team of Rana Ayyub, Rajdeep, Barkha, Sagarika, ndtv n other left media were continuously publishing news on Gujarat riots n presenting Modi as Monster.
In June 2006, TS via Zakia filed application to court n demanded to prosecute 63 people including Modi n Shah

Modi govt was organizing camp for Muslim refugee to file FIRs n TS took benefit of it. Her NGO brought lot of fake victims n files fake FIRs through these FIR camps.
100s of fake complaints, fake FIRs
Police reached to Zakia to give written complaint.

But Zakia trained by TS said that she vud not give written complaint unless Police file FIR against Modi that was legally impossible n Police didn't file FIR.

Everything was part of Plan of TS.
TS went to Gujarat court in March 2007 n said Police is not filing FIR

High court also said that without written complaint of Zakia how Police can file FIR.
Everything was part of scripted plan. Plan was to bring case out of Gujarat.
TS reached to Supreme Court in Dec 2007 n said that high court is not listening to them

As per plan, In 2008, Justice Aftab Aslam of Supreme court took all cases out of Gujarat n constituted a SIT to investigate role of those 63 people said by Zakia to investigate Gulbarga society massacre.

Justice Aftab Aslam was also planted by Rajmata n doing exactly same as TS was saying. His daughter was part of TS NGO n TS organized lot of foreign trips for them.
In that Time, another team member IPS Sanjeev Bhatt had also given statement

That Modi was behind Gujarat riots n he was present in the meeting of 27th Feb 2002 n Modi said that let Hindu took out their anger.

Justice Aftab Aslam appointed 2 amicus curie who will assist SIT in their investigation n who were those 2 ?

1. Prashant Bhushan
2. Raju Ramchandran
both r extreme leftist n Modi hater. Raju was also lawyer of Ajmal Kasab.

SIT members were also hand picked by TS but here she made a mistake. She took a wrong person.

RK Raghavan, EX CBI Director was appointed as head of SIT n he destroyed all their sinister plan.
From TN cadre, Raghawan was hard honest person and staunch Hindu

before constituting SIT, Fast track court of Gujarat was also hearing this case.

And when case was about to close in 2010, Judge Joshi of Gujarat fast track court was transferred. later he said that he was pressurized so much by TS to frame Modi and Shah in the case.

Meanwhile SC appointed SIT started to investigate the case.

SIT investigated lot of victims n witness n found that most of them were fabricated by TS. They interrogated to Modi n Shah also for hours.

In Nov 2010 they submitted their first progress report.

What they said in their first report ?
How Teesta (TS) tried to frame Raghwan ?
How Modi came out from Chakravyhu of Teesta ?
How an alternate plan was made by Rajmata to finish Modi ?

In Part 2 of this thread.
Will post in afternoon
