Proof Of Lord Hanuman Presence on Earth, Till Now ...

Scientific researchers mind also believe now with the proofs, Treta Yuga, the Yuga in which Ramayana happened and after that Mahabharat happened in Dwapar Yuga and then Kaliyuga came, the present time. Bhagwan Hanuman being

immortal is believed to live throughout all these ages.

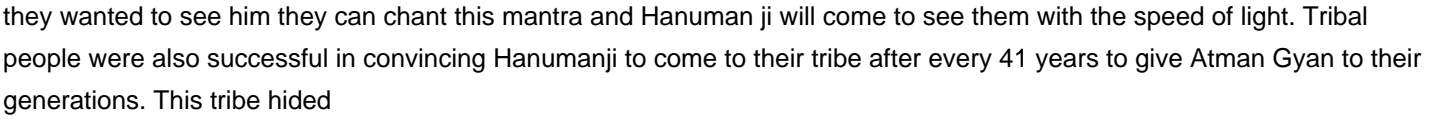

Foot prints of Lord Hanuman can be seen in various places. In 1600 Tulsidas was visited by bhagwan Hanuman. Hanuman guided Tulsidas ji to write about Ramayana. Like this many great spiritual Gurus and Saints like

Sathya Sai Baba, Swami Ramdas, Raghvendra Swami and sage Madhavacharya have reported that they have seen Bhagwan Hanuman in real. When Shri Ram left his body, Bhagwan Hanuman left ayodhya and went to Jungles to live. In his way to Jungles he lived with a tribe for many days who

served him. Bhagwan Hanuman was pleased with their service and gave them Atman Gyan By this Knowledge the tribal people came to know about their past births and where they will go after death in their next birth. Hanuman ji also gave a mantra to this tribe and told that when ever

themselves for years in the Jungles of Sri Lanka but some researchers have spotted them and the head of the tribe authenticates all those beliefs.

Recite this mantra 108 times and if your soul is connected with Lord Hanuman and your heart is pure you will definitely see him.
