HANUMAN'S BIRTH PLACE

There are multiple claims which says to be the birth place of Pavana Putra Hanuman. Those places are :

1. Anjaneya Hill, Hampi

It is said that Hanuman was born here to Devi Anjana & thus Hill is called Anjaneyadri. Located near Rishyamukha mountain on the banks of River Tungabhadra, where Shri Rama met Hanuman for the first time.

Anjneri mountain, located 8 km from Trimbakeshwar in Nasik, is also said as the birthplace of Shri Hanuman

3) Anjan, a village 18 km away from Gumla, Bihar called ANJAN DHAM , which is said to be birthplace of Hanuman. The name of the village is derived from the name of Anjani

4) A cave in a hill near Gokarna, one of the oldest temple towns of India, is also said to be the birthplace of Hanuman

5. Some people were also in view that Hanuman was born in Tirumala, because of the name Anjanadri hill, 1 among 7 hills in Tirumala. But these have no proof
