NAMAKKAL ANJANEYAR

Namakkal Anjaneyar Temple is located in Namakkal Dt. Anjaneyar is about 18ft tall seen with folding hands praying to Narasimha Murthy.

Story says that, Once when Anjaneyar was carrying Saligrama from Mandakini river, was surprised to see Mahalakshmi here. Devi was praying for Bhagavat darshan in the form of Narasimha. As Saligrama must not be kept on the ground Anjaneya requested Devi

To hold it till he returns. Hanuman didn't return on correct time & Devi placed the saligrama on the ground, which grew to a hill & Mahavishnu gave darshan as Narasimha here. Thus Anjaneyar also stayed here worshipping Narasimhar. Vada Mala is very famous here.
