TOP 10 TRADING BOOKS THAT MAKE YOU A BETTER TRADER

I've read a number of books on trading and these are top 10 of them which I found the most useful.

1: Reminiscences of a Stock Operator

This book is a biography of Jesse Livermore, world's greatest trader.

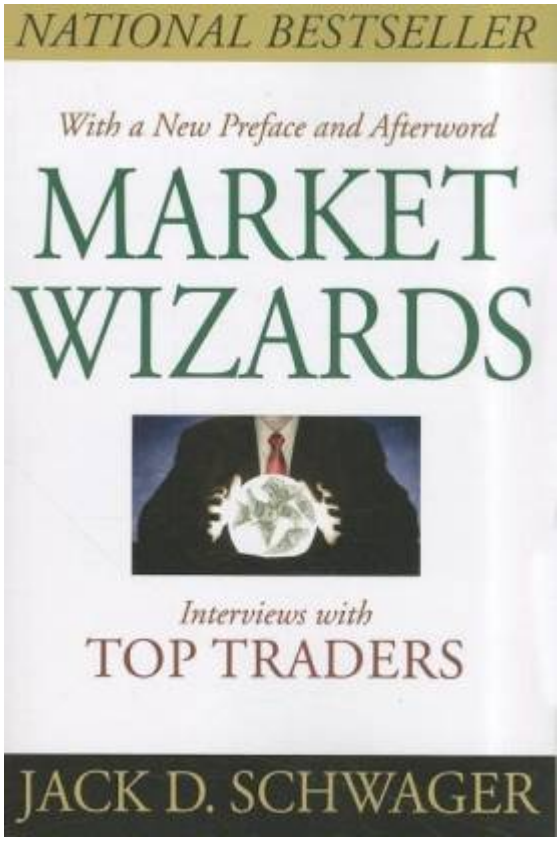

It highlights his trading principles and trading psychology along with how he made and lost his fortune.

2: Market Wizards

This book has interviews with the biggest traders in trading. They are sharing their setups, psychology, the way they think and their experiences.

It's definitely an amazing read.

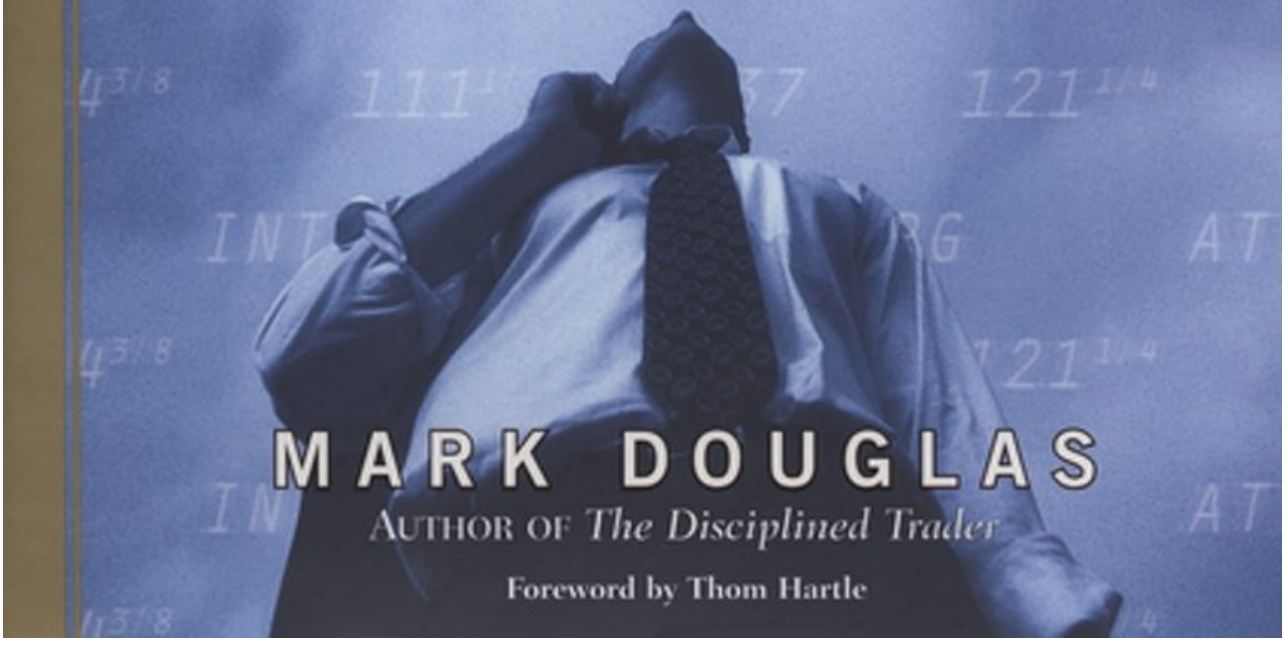

3:Trading in the Zone

If you're suffering from psychological problems related to trading then this book will solve them!

It talks about all the emotions and psychological barrier a trader goes through and gives a way on dealing with them.

4:Trade Like a Stock Market Wizard by @markminervini

This is a timeless classic and it contains excellent swing trading strategies for people who like to trade stocks positionally.

5: The Playbook by @MikeBellafiore

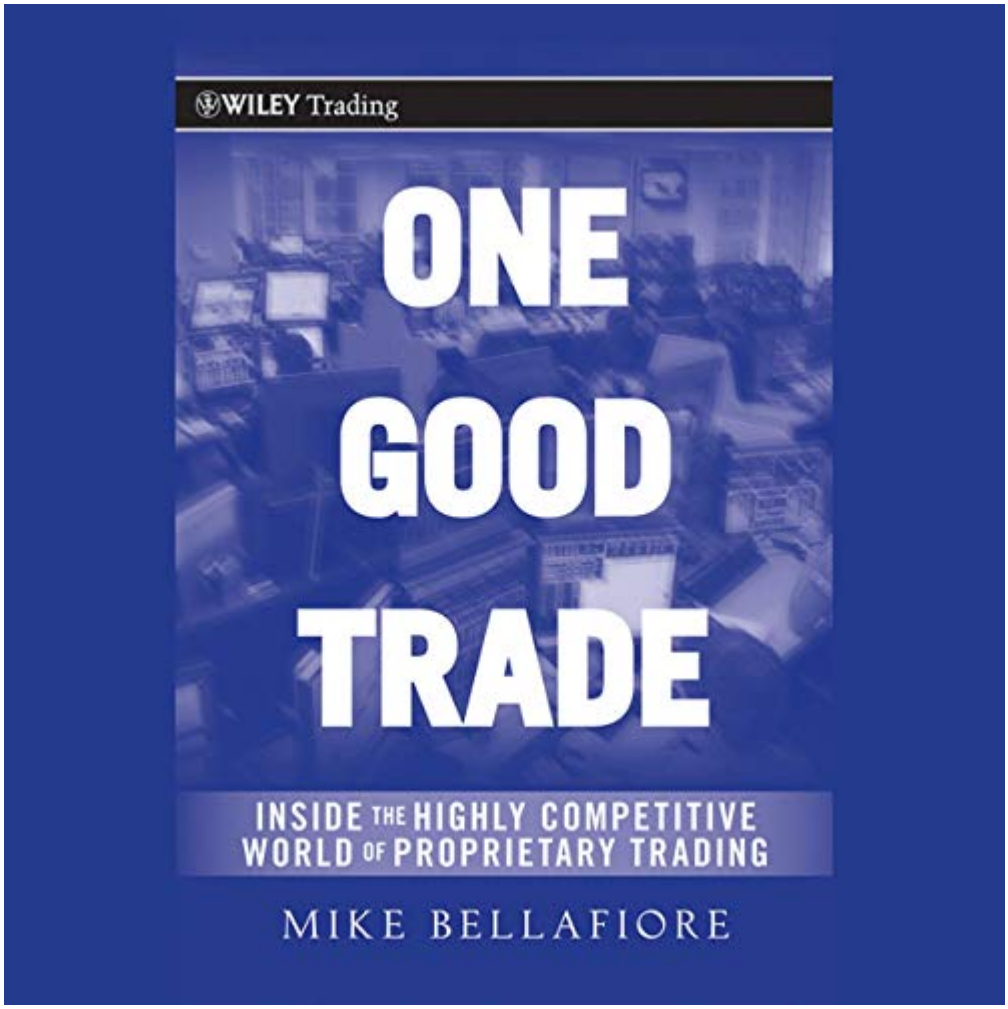

This is an excellent book! Mike Bellafiore gives examples of his best trader's performances and multiple trading setups and strategies.

6:One Good Trade by @MikeBellafiore

In this book, Mike explains about running his prop trading firm.

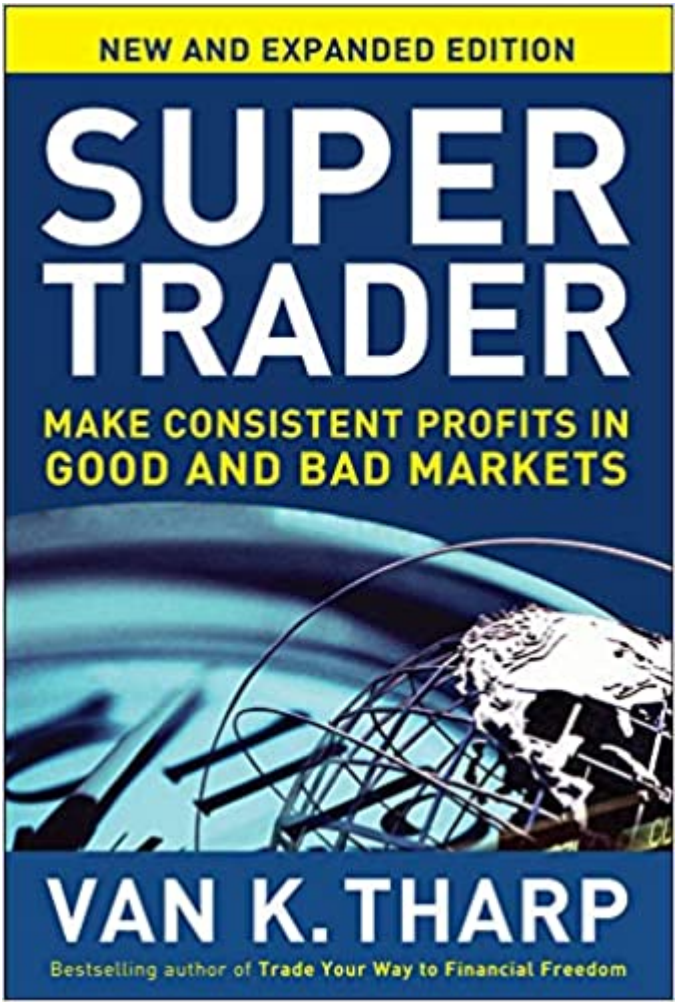

He also explains the fundamentals of one good trades and what separates winning traders from the losers and the factors that affects their performances.

7:Super Trader: Make Consistent Profits in Good and Bad Markets by Dr Van Tharp

This is one of my favorite books. It talks about trading psychology and risk management.

It's a must read!

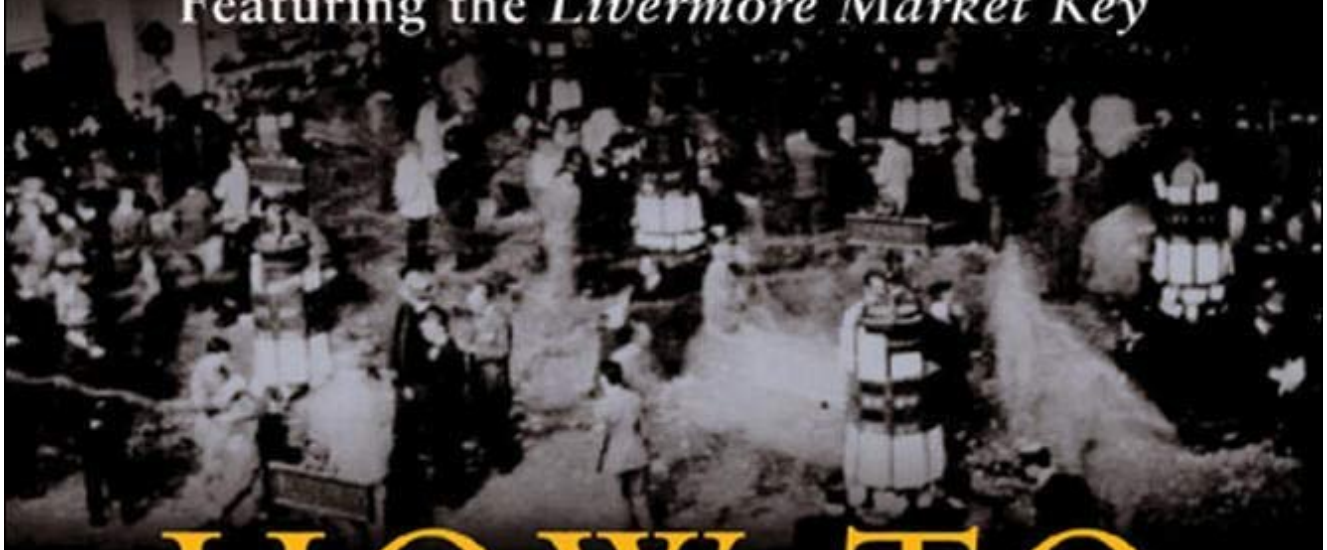

8:How to Trade In Stocks by Jesse Livermore

This book focuses more on Jesse Livermore's trading strategies, his setups and also his entire life in depth.

9:Think & Trade Like a Champion: The Secrets, Rules & Blunt Truths of a Stock Market Wizard by @markminervini

I like how book is focused around Mindset, Routine, Habits and Pitfalls of traders .It states that everyone can achieve success through discipline and efforts.

10: Zerodha Varsity

Although it's not a book techincally, but it has everything a new trader needs right from basics. I personally learnt a lot from Varsity in the early days.
