Twitter Thread by Chime the Analyst■■

Chime the Analyst■■
@ChimeXdata

I've received a couple of dms about how to start learning data analytics.
I've tried replying people but either I get burnt out or twitter thinks I'm a bot
I just compiled this because it's stressful repeating myself over and over again.
Please save this somewhere■■

Alexa has compiled resources on data analytics
You can check them out here
https://t.co/pVi7EY1Op8

> Here is a \U0001f9f5 of data analytics tips & resources I have shared on Twitter for easy accessibility.

Then Boss Jessica has shared FAQs
Please don't stress our boss ■
https://t.co/Fj9pQRypJO

> FAQs to Jessica
>
> I feel the need to create this due to repetitive questions I get asked. Also wrote about resources & your portfolio
>
> Q: Do I mentor people 1:1?
> A: No, except for close friends who are already on the path. I created @DataTechSpace to help with this.
