60 Inspiring Quotes & Tips by Rakesh Jhunjhunwala

1. If a girl is beautiful a suitor will come. If a stock is beautiful, a suitor will come. So I don't search for suitors when I buy the stock.
2. I have learnt two things about the press and wives. When they say something - don't react.
3. Markets are like women – always commanding, mysterious, unpredictable and volatile.
4. Anticipate trend and benefit from it. Traders should go against human nature.
5. Successful investors are opportunistic and optimistic ones.
6. Respect the market. Have an open mind. Know what to stake. Know when to take a loss. Be responsible.
7. Growth comes out of chaos.
8. Market is above individuals. The market is rational. An individual can never be smarter than the market.
9. Maximize profits and minimize losses.
10. Invest in a business not a company.
11. Emotional investment is a sure way to make loss in stock markets.
12. If in doubt, listen to your heart.
13. Whatever you can do or dream you can, begin it. Boldness has genius, power and magic in it.
14. Aspire, but never envy.
15. Be paranoid of success – never take it for granted. Realize success can be temporary and transient.
16. Build a fighting spirit – take the bad with the good.
17. Have some cash in hand so that you can grab the opportunity when it occurs.
18. Blindly following stock picks by big investors is not a wise thing to do.
19. Give your investments time to mature. Be Patient for the World to discover your gems.
20. Never get carried away by aberrations, recognize and respect them but do remember that the market corrects its aberration though it takes time.
21. Never in my life have I not made an investment because the stock is not popular. In fact I like to make the investment when the stock is not popular.
22. Vadhere vadhare levanu vadhare vadhare beichavanu"-Buy as the market is rising sell as the market is falling.
23. Like wives markets are always right. With wives you can argue but with markets you can't.
24. You know, trading always keeps you on your feet, it keeps you alert. That's one of the reasons why I like to trade.
