Many people ask me how I am able to multi-task! The answer is Technology!

10 amazing tools/sites you should start using today:

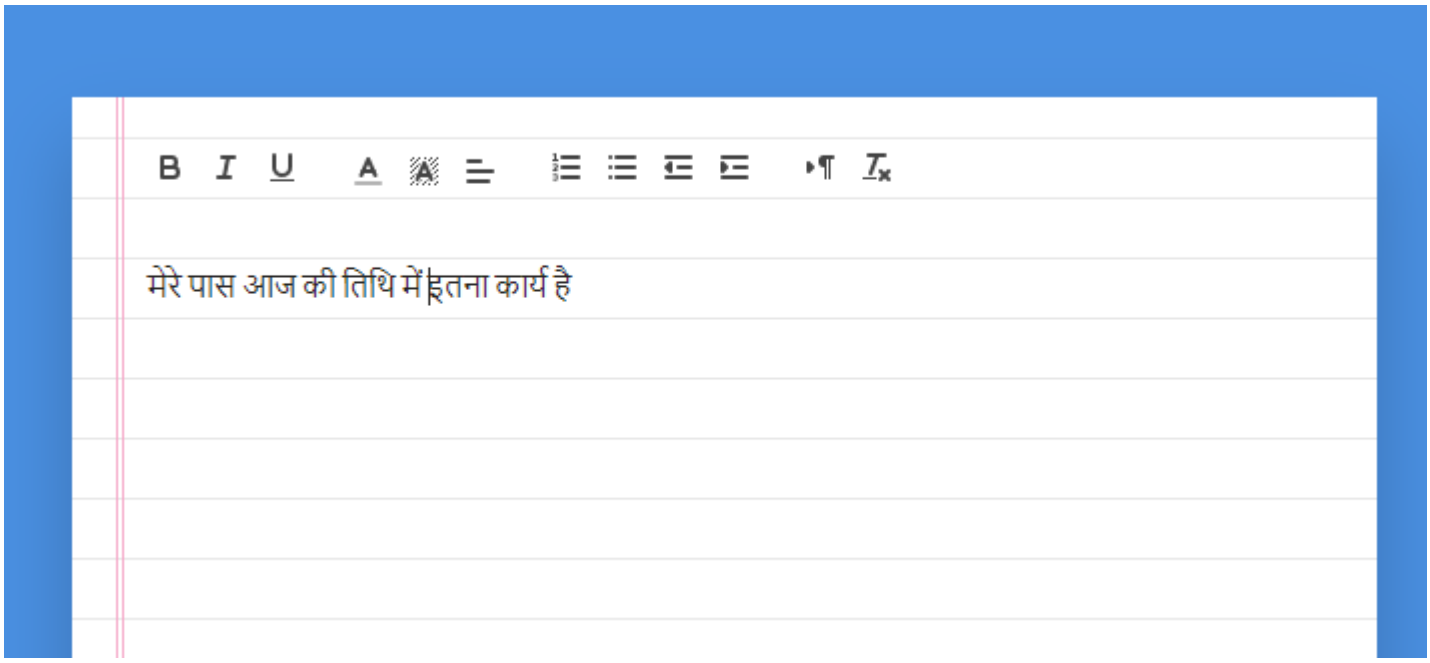

Retweet for maximum reach

1. Dictation. io

Dictate your emails and documents in Google Chrome in English, Hindi, Marathi, Gujarati etc. Made in India!

No need to type anything! Just speak and you are done!! Saves lot of time every day.

https://t.co/AVlHj82OR0

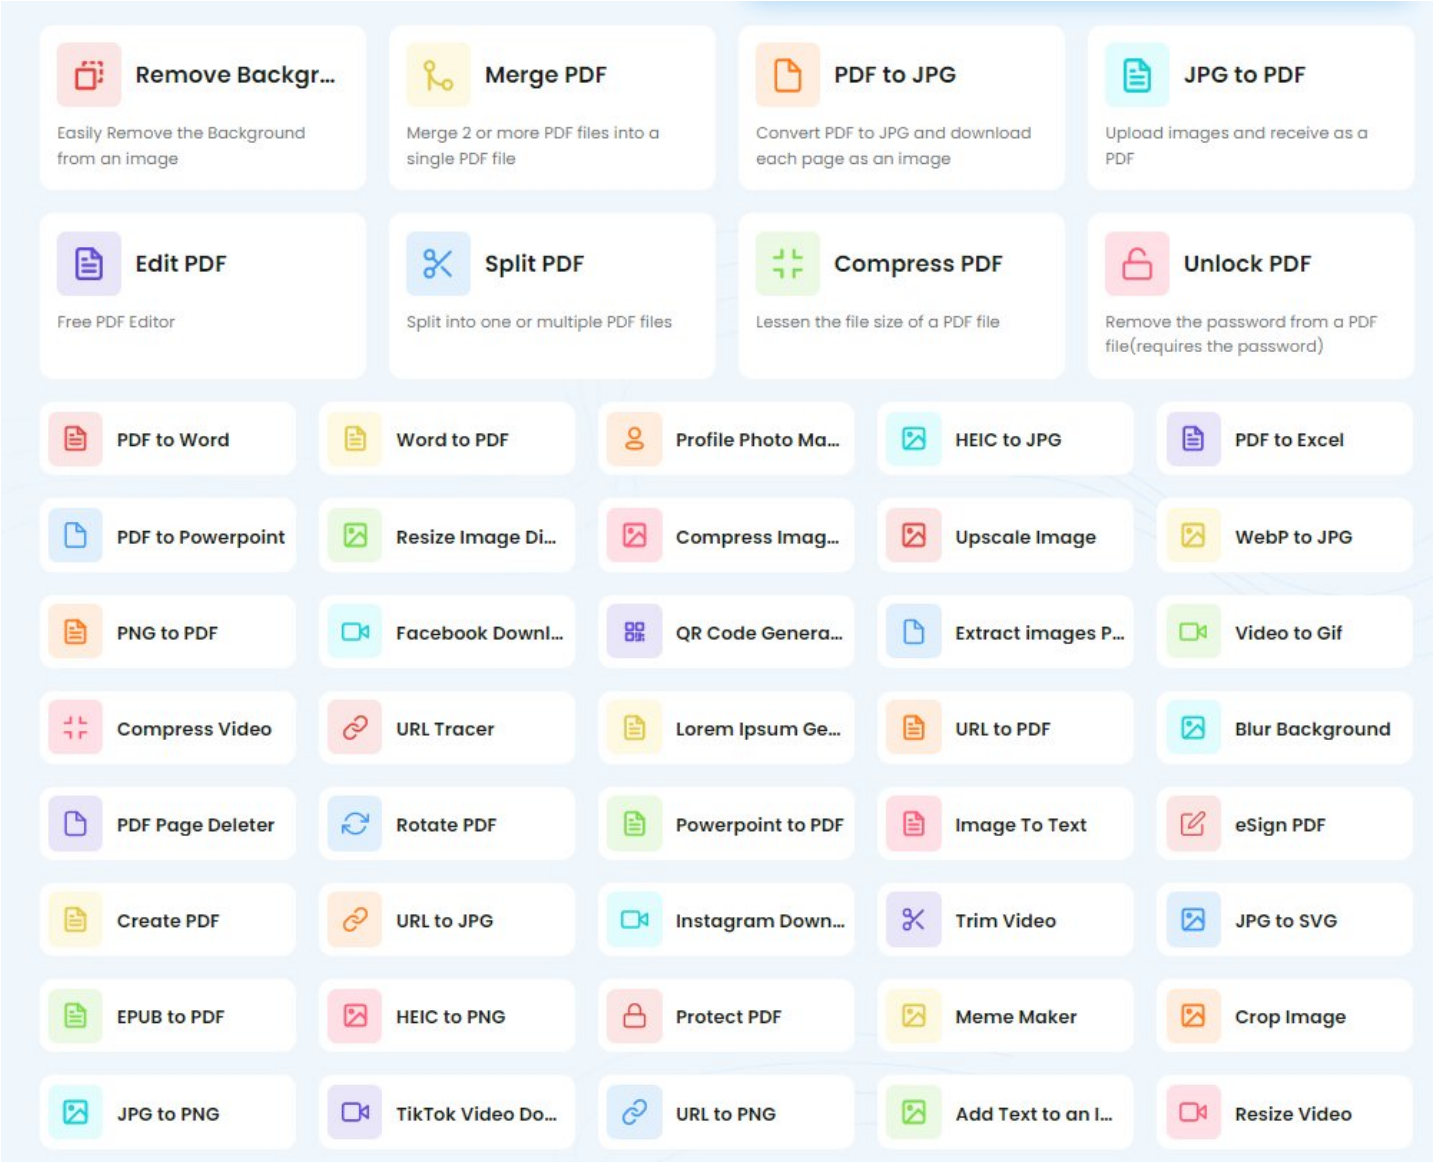

2. Tiny Wow

Edit photos, pdf files and convert formats etc

Moreover, Tiny Wow offers 32 online tools to process PDF: edit, split, merge, compress, and much more.

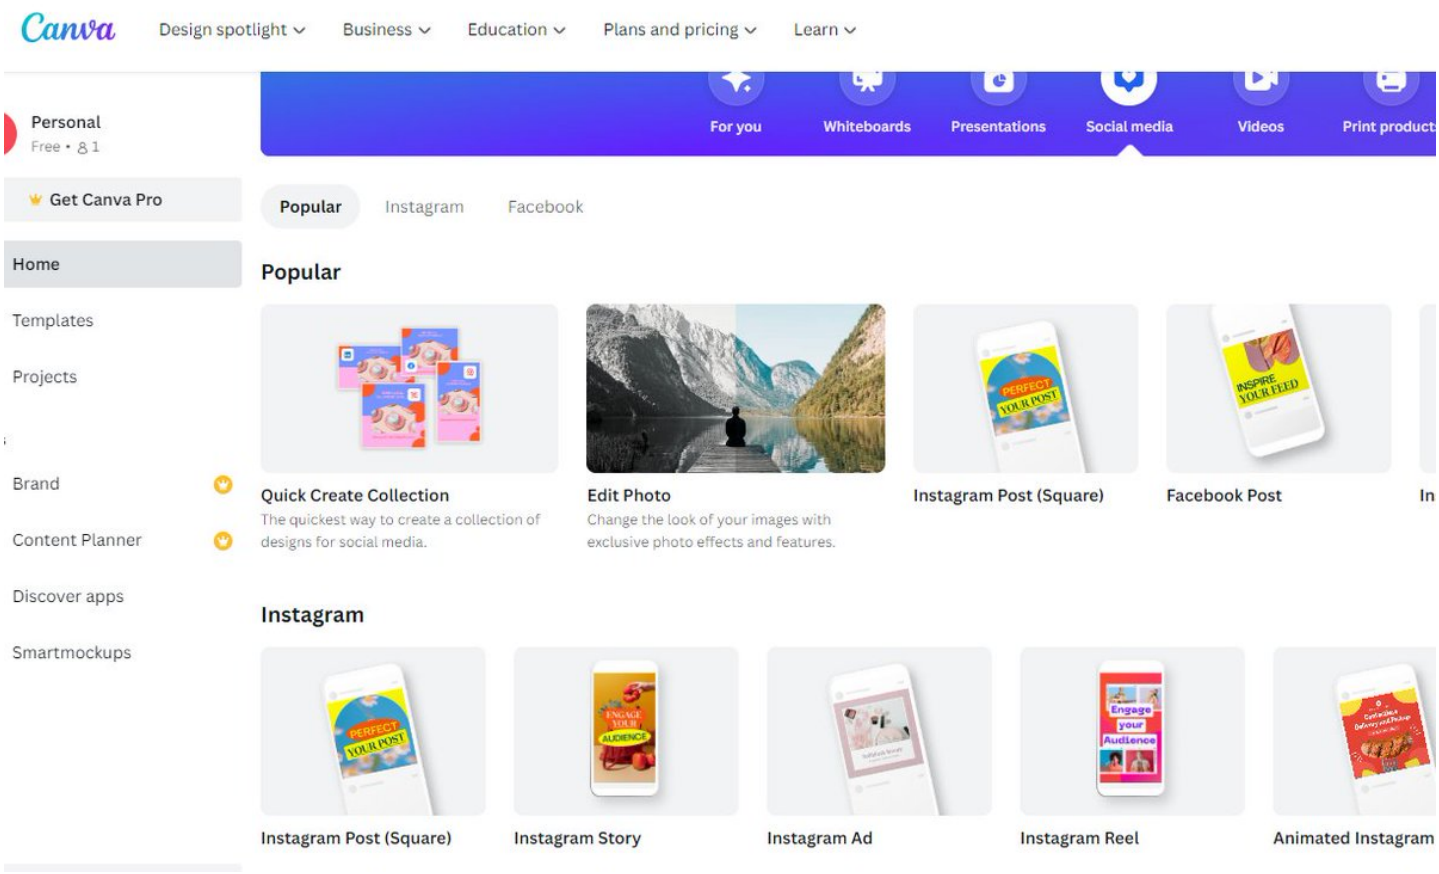

https://t.co/0oTPNu3kCQ

3. Canva

@canva is an easy-to-use graphic design tool. Choose from hundreds of beautiful templates and designs!

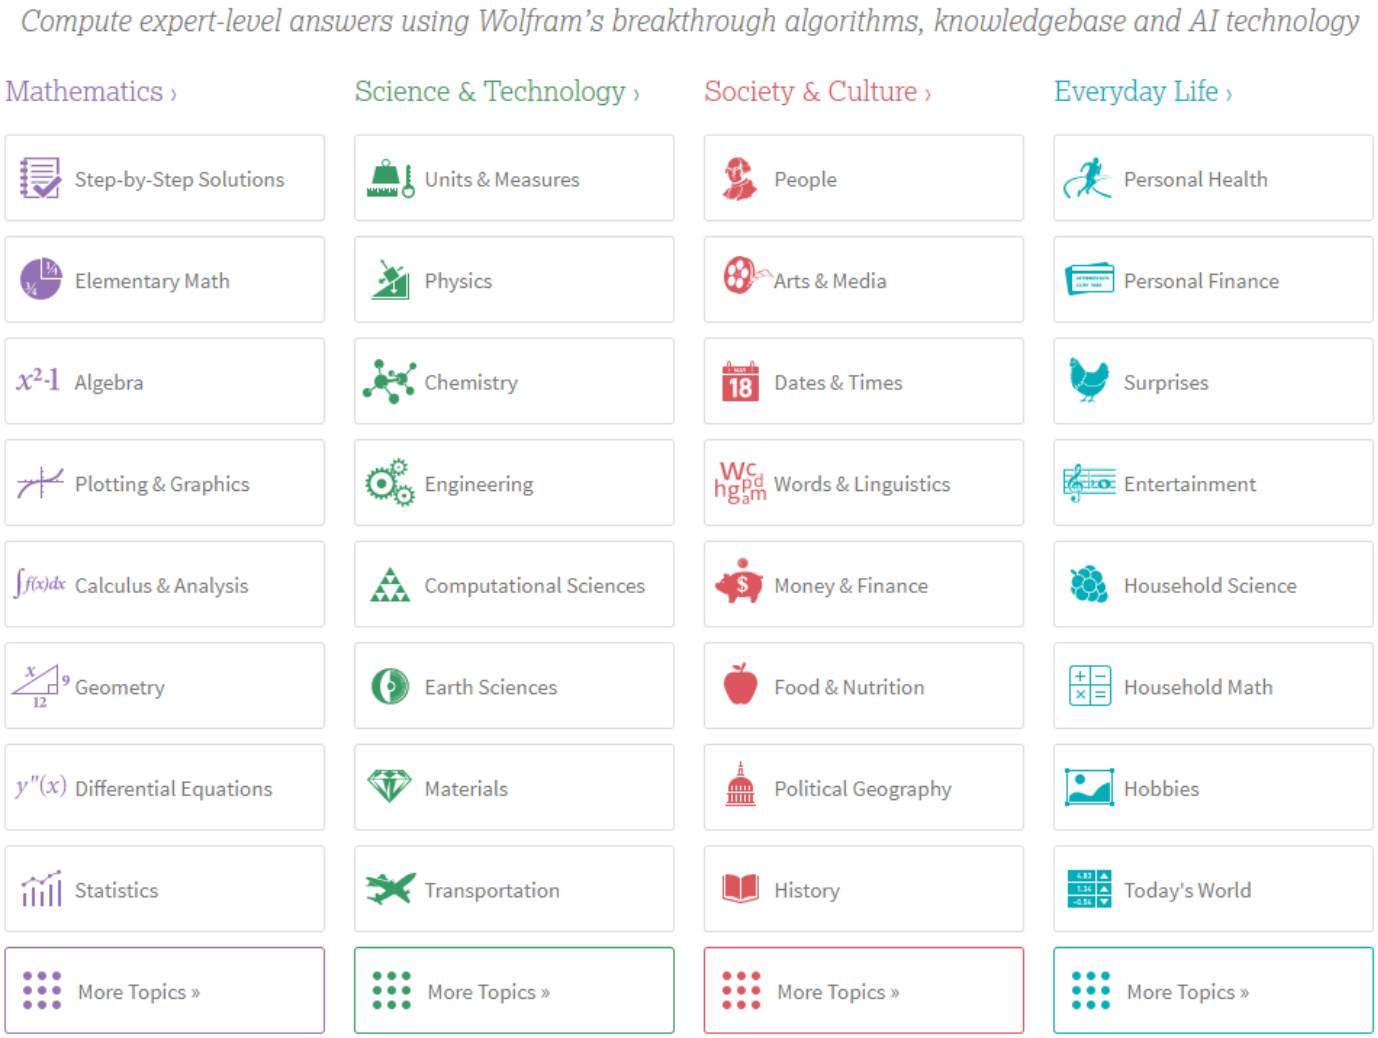

https://t.co/WKEQrCF5J9

@canva 4. WolframAlpha

Ever got stuck in Maths - Step by step solutions to Algebra, Plotting functions etc; Chemistry, Physics!! There are loads of other tools as well on finance, geography etc! Just super amazing tool it is @Wolfram_Alpha

https://t.co/YwrIgaHXOr

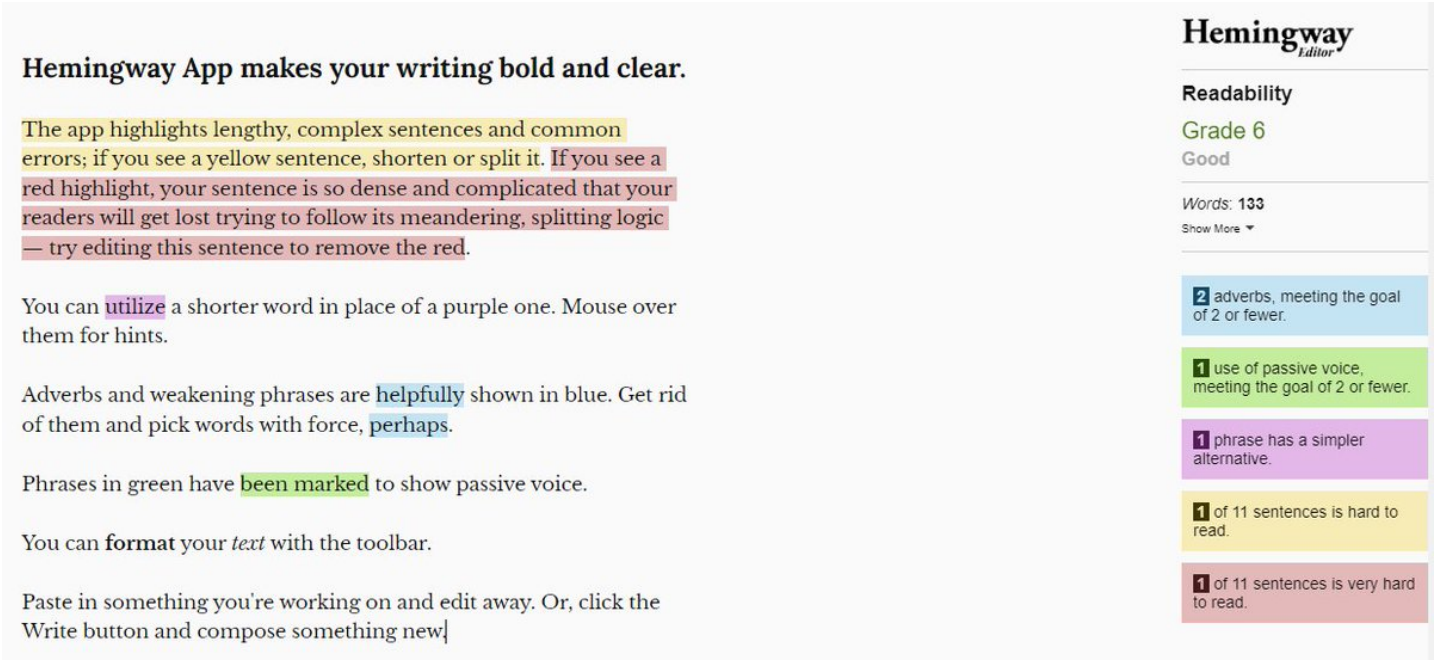

@canva @Wolfram_Alpha 5. Hemingway

A word editor that grades writing for readability. Helps in removing errors/typos, Cut adverbs, complex words, and long sentences

Try to get readability score below 10!

https://t.co/JWX7QhfzR6

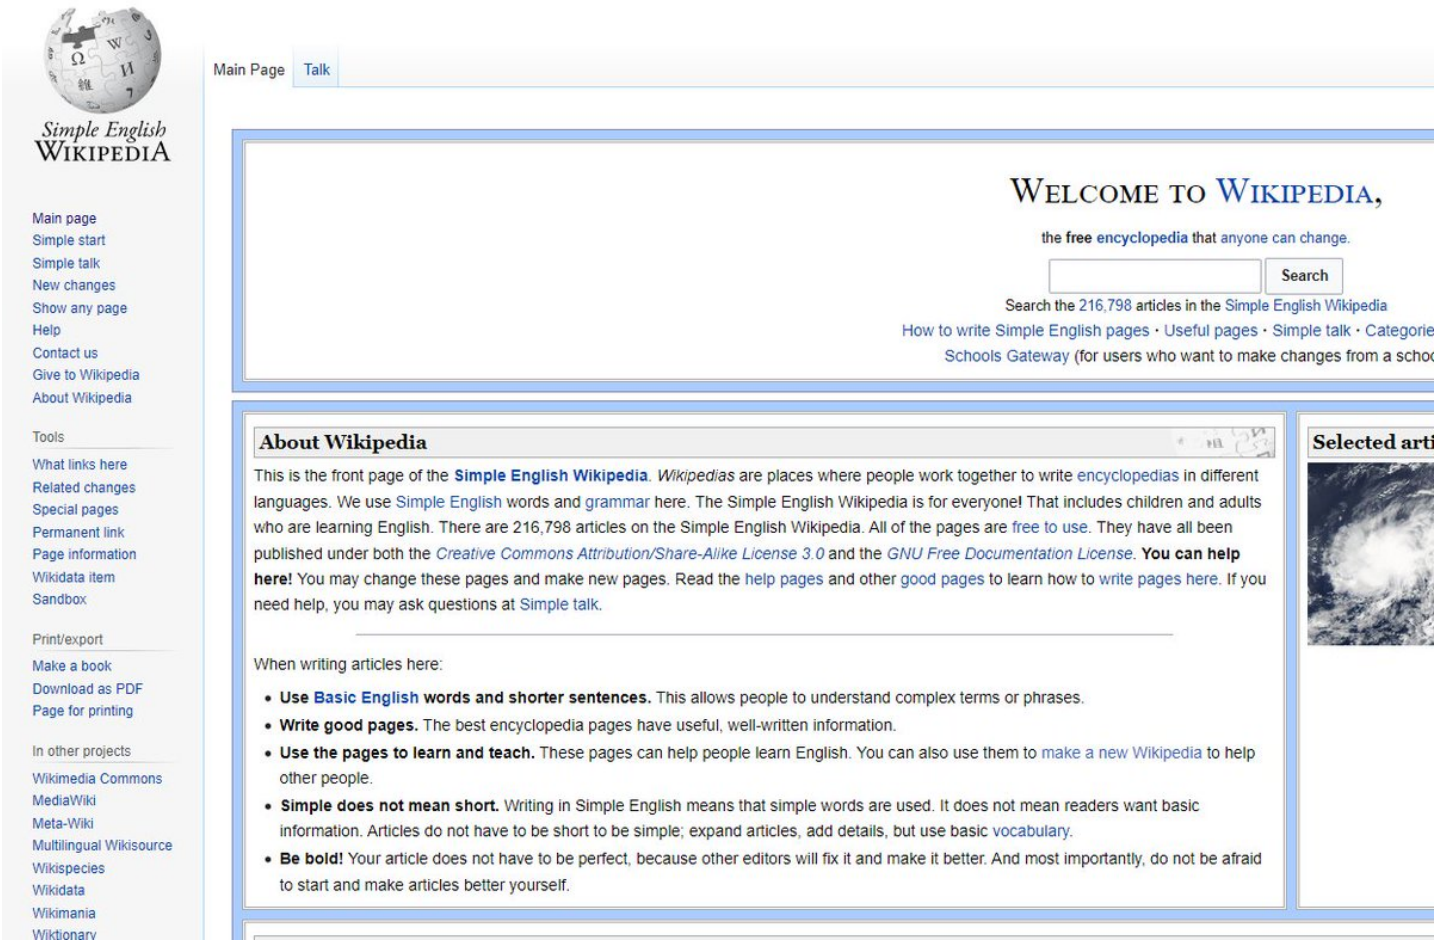

@canva @Wolfram_Alpha 6: Simple Wikipedia

If you find Wikipedia's explanations complex and cumbersome, simple Wikipedia provides simplified information.

It has easy to understand words and grammar that's designed to be understood by everyone!

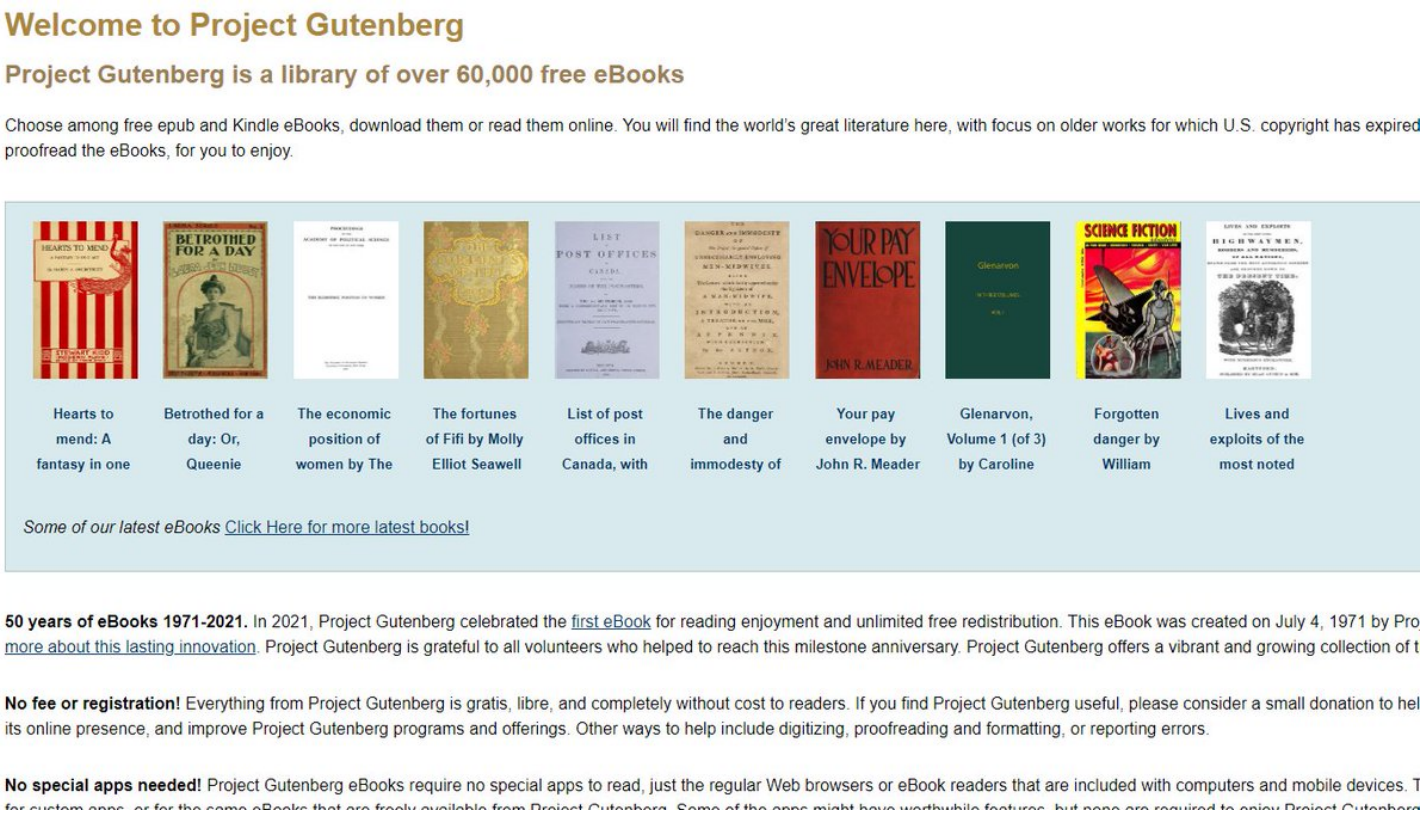

https://t.co/rgyva9eGYD

@canva @Wolfram_Alpha 7: Project Gutenberg

@gutenberg_org is a library of over 60,000 free eBooks—it has some of the world's greatest literature with a focus on older works.

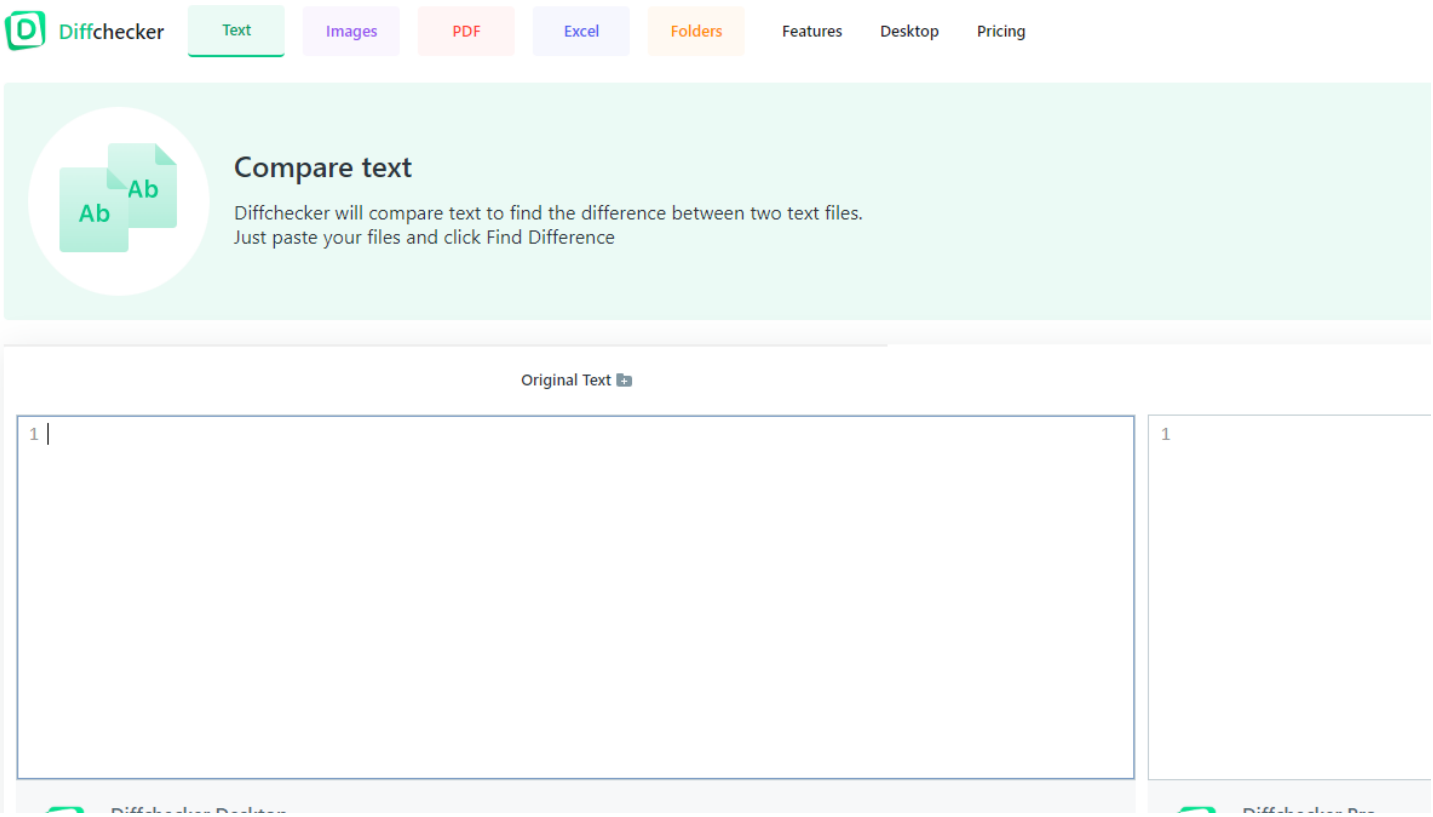

https://t.co/79823PVk5H

@canva @Wolfram_Alpha @gutenberg_org 8. Diffchecker

Use Diffchecker to quickly identify the difference(s) between two versions. of a document, excel file or pdf or image

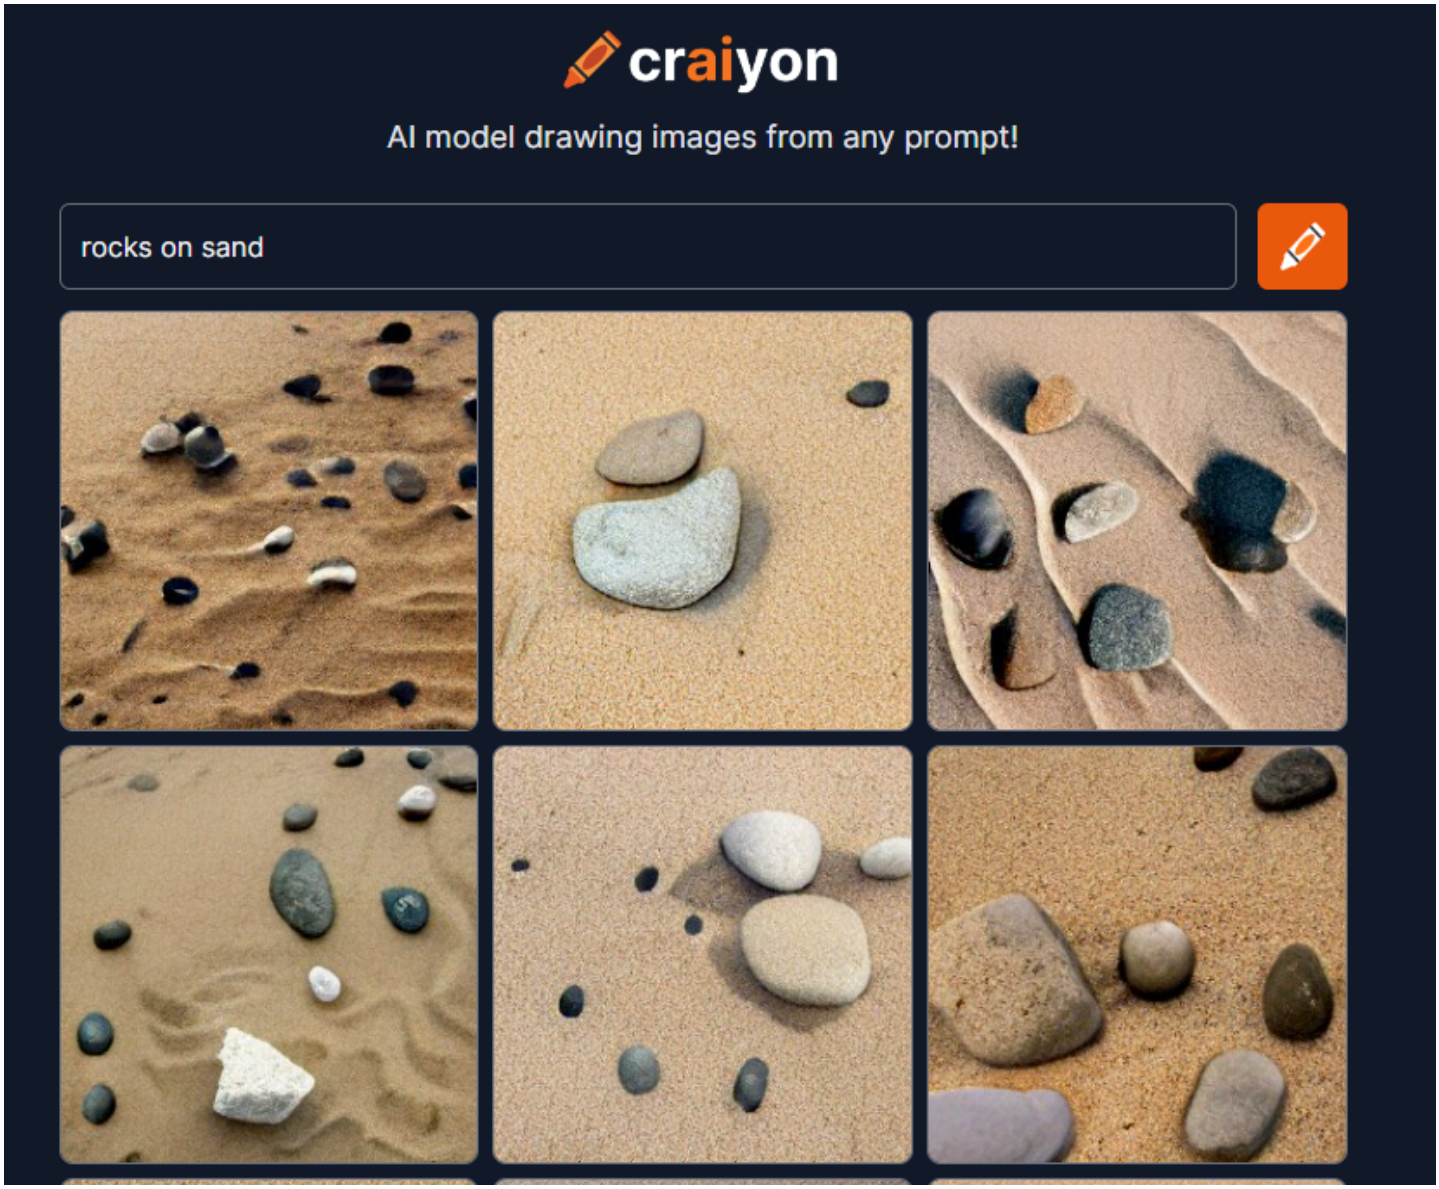

https://t.co/XBqRJEGPDO

@canva @Wolfram_Alpha @gutenberg_org 9. Craiyon

Craiyon, formerly called DALL·E mini, is an AI model that can draw images from any text prompt! More improvement needed in the model but still very interesting

https://t.co/9oKbjV5b55

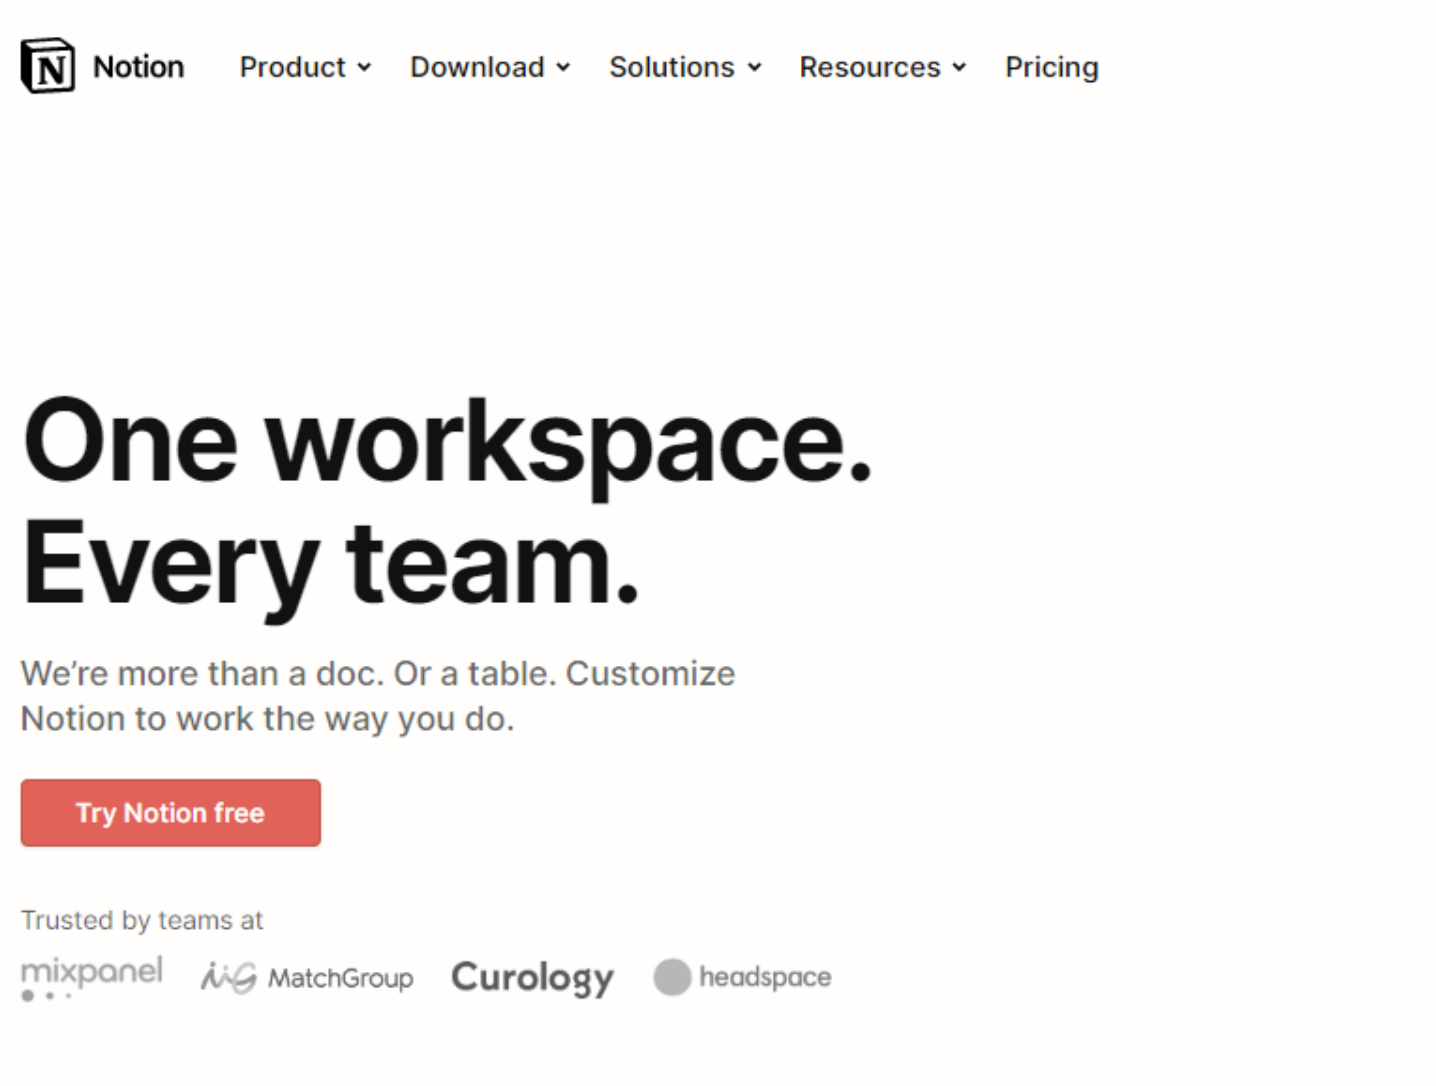

@canva @Wolfram_Alpha @gutenberg_org 10. Notion

@NotionHQ is mind blowing! It has replaced all tools like word,databases, calendar for me! It's an all-in-one for note-taking, knowledge & data management, project management.

More you explore and use, more you fall in love with it!

https://t.co/OaGjxT17DI

@canva @Wolfram_Alpha @gutenberg_org @NotionHQ Follow me @divyamittal_IAS for more of these!

I am sure you will gain a lot in the days and months to come
