Thread in Honor to Rajiv Gandhi:

Today is Birth Anniversary of Rajiv Gandhi. Young & Dynamic PM from "Royal Family of India"!

Thought of giving him a tribute by highlighting his Biggest Achievement!

Being learned citizens, you must be already aware..but still a reminder!

The Bhopal Gas Leak disaster!!

It was a chemical accident on the night of 2–3 December 1984 at Union Carbide India Limited (UCIL) Pesticide Plant in Bhopal, Madhya Pradesh, India. The industrial disaster is considered the world's worst in history.

(2/15)

It claimed more than 15000 lives & above 6 Lakh people were affected after getting exposed to Methyl Isocyanate (MIC) gas.

It WASN'T Accident,BUT case of Criminal Negligence!

The preparators ought to be brought to books & taken stern action!

That's what Rajiv Gandhi did!

4 days after deadly Toxic Gas Leak,Company's Chairman,Warren Anderson,was arrested on arrival in MP.

CONgress State Govt kept him under HOUSE ARREST for HUGE 2 hours. Bail was Immediately ARRANGED for Anderson

& Anderson was HELPED to FLEE Bharat to Never Return Again.

(4/15)

Then Chief Minister of MP, Arjun Singh, Personally accompanied Warren Anderson to Airport to ensure his Safe RESCUE to US.

Senior CONgress leader & Ex-CM Arjun Singh in his autobiography 'A Grain of Sand in the Hourglass of Time' made sensational claims.

(5/15)

Arjun Singh wrote Home Secretary R.D.Pradhan called him "On instructions of Union HM Narasimha Rao"
But..Pradhan denied allegation & said there was NO ROLE of Home Ministry & Arjun Singh was blaming PVN Rao under pressure from Antonia Maino. All know how Queen hated PVNR.

Swaraj Puri, Bhopal's Superintendent of Police in 1984 claimed, "We arrested him on the basis of a written order but released him on an oral order." He further added that the oral order came "from higher-ups"

So....who was the ULTIMATE Higher-up?

(7/15)

That was NONE OTHER THAN our Birthday Boy "Rajiv Gandhi"!!

Rajiv Gandhi GOT Murderer Anderson in "Quid pro quo" with US.

"Quid pro quo" means an exchange of goods or services or individuals where one transfer is dependent on the other.

Who was Exchanged by US for Anderson?

8/15

That was ADIL SHAHRYAR!!

Who was he?

Adil is son of Mohammad Yunus, an Indian Civil Servant & former ambassador to Turkey, Indonesia, Iraq & Spain. Yunus was close associate of Jawaharlal Nehru & "TOO CLOSE" to Indira Gandhi after separation with her husband Feroze GANDY.

(9/15)

Being SO CLOSE to "Royal Family"...Adil was good FRIEND of Rajiv Gandhi & also knew MANY THINGS about THE FAMILY.

Mohammad Yunus pressured Rajiv Gandhi for release of Adil Shahriyar from US Jail where he was lodged for 35 yrs! Rajiv Gandhi HAD to Succumb to THIS Pressure.

10/15

Why was Adil Shahriyar arrested in US?

In early 80s, Adil Shahryar had a company called Caribbean International Investment Corporation, which had signed a deal with Shapton Producers to supply VIDEO CASSETTES. Instead, he supplied SCRAP PAPER.

Creative, Isn't it?

11/15

He was arrested in Miami in 1981 & charged with defrauding Shipping Authorities & American Express International Banking Corpñ. He was sentenced to 35 years in jail by US Fed Court.

So...Anderson under arrest was Great OPPORTUNITY for Rajiv Gandhi to get Adil SWAPPED.

12/15

So DEAL was struck between Rajiv Gandhi & US. Accordingly, In June 1985, President Ronald Reagan granted Presidential Pardon to Adil Shahryar. Interestingly, Reagan signed Clemency Papers of Adil on June 11, 1985; the day when Rajiv Gandhi landed in Washington.

Deal Complete!

13/15

SUCH was Our late Rajiv Gandhi "JI"!!

Don't call him Insensitive. Nation is above everything & For That...

Keeping Family "Secrets" safe is more important. After all... India is Property of 1 Family!! Citizens come AFTER Power for THE ROYAL FAMILY.

HEARTFELT TRIBUTE!!
