**all the useful (which i think are useful) threads are compiled in one tweet.
its meant to get all the useful infos in one place**

pls chk the comments below

philosophy trap in trading

<https://t.co/MahFx68LeS>

Often u would find a struggling person talks philosophy
Bcz, that's easy
Kind of accepting what's happening as inevitable
It's fate & u r bound to take it

But very few guys,
refuse philosophy
decide to fight
Make a plan
start from scratch
&
persist with hard work

They win

1/4 <https://t.co/YUKL143dzz>
