Section 40 in The Wakf Act, 1995

The Board may itself collect info regarding any property which it has reason to believe to be wakf property!

This basically says, A board made up of Muslims can acquire ANY PROPERTY IF IT BELIEVES/FEELS LIKE ACQUIRING IT!

Read ■Section 40

4/n

And if any question arises whether a particular property is wakf property or not or whether a wakf is a Sunni wakf or a Shia wakf it may, after making such inquiry as it may deem fit, decide the question.

5/n

(2) The decision of the Board on a question under sub-section (1) shall, unless revoked or modified by the Tribunal, be FINAL.

WHAT IS THIS?

Are we already under TALIBAN or SHARIA ?

Waqf Board's Corruption & Land Encroachment

a tremendous amount of property.
It has around 4 lakh registered properties & around 6 lakh acres of land.

“The third largest ownership of land after the Indian Railways and the Defense department is that of the Waqf.”

7/n

The Waqf Board has been accused of acquiring lands and public spaces by making them Waqfs.

If someone creates a Mazar or a Mosque somewhere and it becomes a place for religious worship, then Waqf Board can declare that property as a waqf property.

8/n

The problem of illegal land encroachments in the name of religion isn't new in India.

It has been enumerated via a series of incidents how establishments such as the Central Wakf Board could be illegally gaining control of land by terming them as 'Waqf' properties.

9/n

The same board has time and again been accused of acquiring lands and public places by fraudulent means, and the relevance of their acts has rightly remained questionable.Bringing up the same again and rightly questioning...

10/n

Does the Waqf board hold any relevance in the secular India of today?

Why is a Minority Welfare development Board in control of so much property?

Khan’s report records that
ALMOST 70 % OF WAQF PROPERTY HAS BEEN ENCROACHED UPON AND OF THE REMAINING, CASES OF BLATANT CORRUPTION ABOUND.

Land is disposed off to builders, markets, hotels, malls or industries at unimaginably shockingly low rents.

ALMOST 77 % OF DELHI WAS OWNED BY THE WAQF BUT MOST OF ITS PROPERTIES HAVE BEEN ILLEGALLY OCCUPIED.

....and now this. A mazar that too vacant has been constructed ON Azadpur flyover in Delhi. A construction even of the size of mazar on a flyover.....is it possible that local administration was not involved or turned a blind eye?
