I just spoke to sources in Leicester. The situation for Hindus in the area is far worse than what meets the eye. Working on a story with as much video evidence as possible.

Dear Hindus of #Leicester, stay strong.

My first report.

There is a lot of unpack and report as far as the #Leicester violence against Hindus is concerned. The Islamists have run a coordinated campaign and muddled the water with false assertions. Over the next two days, OpIndia will follow the story and ensure all facts are out.

I am currently collating and analysing the several, several videos I have received from Hindus in Leicester. I am also going through a lot of other information and talking to more individuals who are in Leicester currently. More soon ■
