My Favorite No-Code Tools for 2022:

1. **Notion ([@NotionHQ](#))—Second brain.**
2. **Gumroad ([@gumroad](#))—Sell digital products.**
3. **Typedream ([@typedreamHQ](#))—Build websites.**
4. **CopyAI ([@copy_ai](#))—Generate content with AI.**

I use [@typedreamHQ](#) to build product landing pages in minutes.

Try it out yourself:
