10 Contributions of BharatVarsha that Very few Talk About

1. Fibonacci the Pioneer of Introducing 0,1,2,3 ...9 and Arithmetic to the West
Learnt it from Bhartiya Maths. Every Scientific development is based on this. Read his Book "Liber Abaci".

2. Sushruta , the Father Of ...

2. Sushruta the Father Surgery, used Instruments which even today with only a minor change of Still used in Modern Surgery. Why Non One Recognises?

3. Calculus, Trigonometry, Arithmetic , Geometry, Theorems, Geometric Progression, Value of pi, everything finds Origin here
+

4. Music, Dance and Singing, Kthak to BharatNatyam are based on Samaveda and BharatMunis Natya Shastra .. western Octave is Modification of Bhartiya Saptak
Biggest Proof is that Music/ Singing/ Dancing is banned in Abrahmic Faiths especially íslam, how can they Pioneer Music ?
+

5. The Wright Brothers Copied the Concept of building Airplane that was demonstrated in 1895 , 8 years before by Shivkar Bapuji Talpade. But his story was put under the Carpet

6. Fiber Optics: Narinder Singh
Intel Pentium Chip :Vinod dham
USB :Ajay Bhat
Radio/Wireless: JC Bose +

7. Modern Email Format : sh Shiva Ayyadurai

8. Games : Chess and Snakes&Ladder

9. Navigation from Sanskrit Word Navgatih, was mastered by Indian Kings like Cholas, Pandyas to reach distant seas of

Java and Indonesia. Lothal Sea port Gujrat 3600 BC is Oldest recorded+

10. Heisenbergs uncertainty principle Or the Concepts of Mass Energy Conversion are vedic Concepts. And all these scientists from Tesla, Oppenheimer , Niels Bohr, Schrodinger, Heisneberg were influenced by Vedanta and led to discovery of Energy from Mass, Quantum Physics etc.

Giving you one proof

Please teach your Kids. Inculcate the Pride of Bharatiya Civilization in them from a Young Age

I have written Threads on All Others.
