Most men don’t realize how easy it is to make women obsess over them

This is is how:

First

You must understand that a girls attraction forms from insecurity

They want the man who doesn’t want them

This is true because majority of girls have endless options

Men in their dms, men hitting on them 24/7

Their egos are being stroked daily

This gives them a false sense of confidence

As they’re only ever validated for their looks

Not their personality or inner attributes

Which means her confidence is like a glass tower

Throw one brick & it shatters

Meaning…

if you hurt her ego, you now become her source of validation

Because you are the first man in a long time not to kiss the floor she walks on

This subconsciously makes her view you as superior

The one with higher value

This will cause her to base her own self worth on how you view her

You become her egos muse

As you are the only man she doesn’t receive free attention & validation from

Seduction is a game of cat & mouse

And you have just become the mouse

So let her purrrrr
