Want to build a career in UX design?

Uxcel is a great place to start.

Join a free community of 120k+ like-minded members.

You'll build valuable skills and find work opportunities.

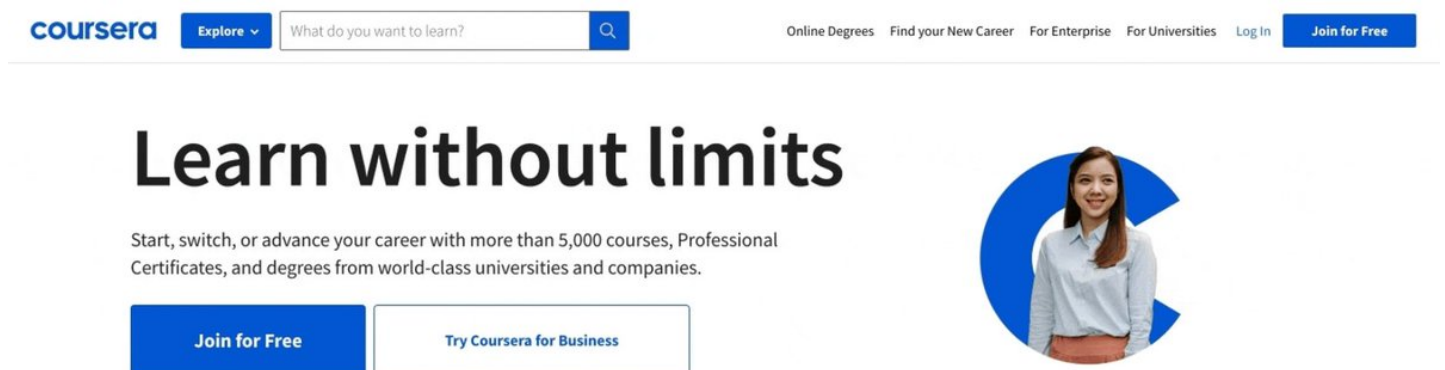

The image shows the header and hero section of the Uxcel website. The header includes the Uxcel logo on the left and navigation links for 'For Designers', 'For Companies', 'Pricing', and 'Resources' in the center. On the right, there are 'Log In' and 'Sign Up' buttons. The hero section features a large heading 'Where UX design careers are built' and a subheading 'Get the professional skills you need for the future of design and connect with top companies from around the world.' Below this is a 'Get Started for Free' button and a note 'No credit card required'. To the right of the text is a circular graphic with a man's face in the center, surrounded by job opportunity callouts for 'UX Designer' and 'Lead UI Designer'. At the bottom of the hero section, there is a row of logos for partner companies: Apple, T-Mobile Systems, Microsoft, Squarespace, Amazon, and Toptal.

Browse an extensive list of free courses from top companies and universities.

World-class instruction = accelerate your career.

The image shows the header and hero section of the Coursera website. The header includes the Coursera logo on the left, an 'Explore' button, a search bar with the placeholder text 'What do you want to learn?', and a search icon. On the right, there are links for 'Online Degrees', 'Find your New Career', 'For Enterprise', 'For Universities', 'Log In', and a 'Join for Free' button. The hero section features a large heading 'Learn without limits' and a subheading 'Start, switch, or advance your career with more than 5,000 courses, Professional Certificates, and degrees from world-class universities and companies.' Below this are two buttons: 'Join for Free' and 'Try Coursera for Business'. To the right of the text is a circular graphic with a woman's face in the center, overlaid with a large blue 'C' logo.

What are you looking to achieve today?

Select your learning goal:
