Learn Python With Rune
@PythonWithRune

9 Python resources that will fast-track your learning

■■

1■■ Introduction to Python Programming

✔■ Learn to solve practical problems with Python
✔■ Enhance your skill set
✔■ Boost your hirability through innovative, independent learning.

■■

https://t.co/3h1vi0qZdg

2■■ Introduction to Computer Science and Programming Using Python

✔■ Introduction to computer science
✔■ A tool to solve real-world analytical problems
✔■ Computational thinking and Data Science

■■

https://t.co/QIcORnKl6c

3■■ Learn Python the HARD WAY

✔■ The Hard Way Is Easier
✔■ Learn Python through 52 exercises
✔■ Starting from ZERO

■■

https://t.co/XcQPcDwSbQ

4■■ Python for Everybody Specialization

✔■ Learn to program
✔■ Analyze data with Python
✔■ Gather, clean, analyze, and visualize data

■■

https://t.co/2Vb8N0k2QY

5■■ Leet Code

✔■ Learn by testing your skills
✔■ From easy, medium, hard problems
✔■ Prepare for technical interviews

■■

https://t.co/RnPsE23edR

6■■ Hacker Rank

✔■ Test your coding skills
✔■ Programmers come together
✔■ Solve programming problems

■■

https://t.co/Xd18VvKZAl

7■■ Project Euler

✔■ Math and programming problems
✔■ Improve your solving skills
✔■ Become top problem solver

■■

https://t.co/Z7MiOdseo1

8■■ Codewars

✔■ Achieve mastery through challenge
✔■ Training with peers
✔■ Challenge your coding practice

■■

https://t.co/1mopR5abAr

9■■ Python subreddit

✔■ Ask questions
✔■ Get help
✔■ Help others - the best way to learn

■■

https://t.co/IKma33Bzw1
