I have an opinion to express. The on going so called #FarmersProtestHijacked is a blessing in disguise to the BJP/NDA. As the days are passing, the truth is fast coming out in the open. And it's now confirmed that this a plan by Congress party in particular, in the fore front.

It's becoming crystal clear now.
The Modi HATAO gang has been activated.
Result: People of India are now quite sure about the facts. More and more nationalist men are supporting shri @narendramodi

To
The Hon'ble President of India

Dear Rashtrapati *ji*,

More than twenty different political parties, including many parties running state governments, have extended their solidarity with the ongoing historic struggle of the Indian peasantry and extended wholehearted support to their call for a Bharat Bandh yesterday, December 8, demanding the repeal of the retrograde Agri-Laws and the Electricity Amendment Bill.

These new Agri-Laws, passed in the Parliament in an anti-democratic manner preventing a structured discussion and voting, threaten India's food security, destroy Indian agriculture and our farmers, lay the basis for the abolishment of the Minimum Support Price (MSP) and mortgage Indian agriculture and our markets to the caprices of multi-national agri-business corporates and domestic corporates.

We urge upon you, as the custodian of the Indian Constitution, to persuade "your government" not to be obdurate and accept the demands raised by India's *annadatas*.

With regards,

Rahul Gandhi
(Indian National Congress)

Sharad Pawar
(Nationalist Congress Party)

Sitaram Yechury
(Communist Party of India (Marxist)

D. Raja
(Communist Party of India)

T K S Elangovan
(Dravida Munnetra Kazhagam)

Chameleon political leaders of Congress party are exposed every 2nd day for their past & present opinions and statements. When their party ruled, the planned and supported the issue, where as now, the same idiots are opposing it tooth and nail.

Height of hypocrisy!

#FarmersProtestHijacked. Yogiraj singh made it a platform to spew venom on Hindus, some others demanded release of Sharjeel Imam, some even portrayed it as freedom struggle for Khalistanis. People are now thoroughly confused and contradicted. What's actually happening?

#FarmersProtestHijacked has taken toll of some celebrity like Dharmendra the yesterday's superstar who opined that government should act fast to solve the problem of the farmers before it goes out of hand. But, where are farmers? All are paid actors of disgruntled party leaders!
