I haven't done pre-sales before so was scared to do it.

Yes, I keep doing single time payment apps instead of subscription, because this is a bad idea at the moment. To avoid procrastination and wait, I'm making things that seem good enough to myself.

■ Sheet 2 Site is keep growing organically

- Visitors per month 8,000
- New yearly subscriptions: 3
- New monthly subscriptions: 4

Also, I made some updates:

- Implemented SSL for all Pro users
- Create a WordPress template

■ <https://t.co/altM60NUPB> keeps making 13-14 sales every month which is good.

This month I need to update it for Majove dark mode.

■ <https://t.co/PwrlcAWaPB> was featured in Tech Crunch second time and made like 3000+ visitors but no paid tho.
