Ford coached by Clowns > actual sexual assault 'sleeper' > Camp Peary (Farm) > Stanford intern pgm. Hanafin = expert polygrapher w/over 2500 polys. Goal: attack until Judge K quits. He was given info to prep for attacks. Dems FAIL. https://t.co/IviUmDIJhr

2. What a wonderful day, indeed! Looking forward to hearing fm @realDonaldTrump via the Presidential Alert again soon!

Nice to see Sessions in Utah! Meeting w/Huber, perhaps? Getting ready to unseal a few indictments? Last count was over 55K!

3. Duh...just noticed Huber (far right, front row) is in the pic Q linked to! https://t.co/a0vkIYM1xM

4. Goodlatte subpoenaed Sessions on 27 Sep to turn over all McCabe memos & Page FISA docs. Sessions met w/Huber today AND the day prior to subpoena. He needed to know status of Huber's investigations & indictments fm grand jury. I do believe it's showtime!
