1. When I heard she voted "No", I thought of this picture. Rush just ref'd this as "Alien vs Sigourney Weaver" ■). Said this pic was taken day before Ford testified. Feinstein has dirt on Murkowski or threatened her. We know our phones are ALWAYS listening. A phone was present.

2. FISA DECLAS will show proof of set-up to take out POTUS. LL enabled Veselnitskaya to enter country to set Russian collusion trap. FISAs approved for Manafort, Papadopoulos, Page, Flynn. Will show how UK (& other FVEY partners) assisted w/coup vs POTUS.

3. How cool is THIS?!! @Q_ANONBaby was invited to meet @realDonaldTrump at last night's rally & shared what happened on the boards. Some anons wanted proof. They weren't allowed to bring phones in but a pic was taken w/ POTUS. That pic will be the ultimate Q proof! (((WWG1WGA)))

4. Forgot to include the link to @Q_ANONBaby's tweet that Q linked to (see #3, this thread)...Congrats to VIP Anon!

5. Confirmation the Feinstein/Murkowski conversation took place the day before Ford testified. Q said "a phone was present". Pretty sure there's a FISA warrant on Feinstein in light of her having a Chinese spy on her staff for 20 yrs.
