Holy \$&#! **Khaled Saffuri** is the source for these Jamal Khashoggi stories? Khaled Saffuri, longtime aide to US al-Qaeda fundraiser Abdurahman Alamoudi (currently in federal prison) and friend of convicted/deported Palestinian Islamic Jihad leader Sami al-Arian?? \U0001f633\U0001f633\U0001f633 pic.twitter.com/BJcklTtFle

As Wictor was saying, this was an attempt to frame the Saudis. Guy connected to an AQ terrorist who attempted to ASSASSINATE Mohommad Bin Salman is the *source* for these Kashoggi stories.

If this had been known *from the beginning* we wouldn't have gotte 3 days of media hysteria over an attempt to frame Mohmmad Bin Salman and Saudi Arabia for Kashoggi's disappearance.

The media's MAIN SOURCE for these stories about the disappearance of Khashoggi is an underling of the Al Queda guy that tried to ASSASSINATE the Saudi's Crown Prince Mohammad Bin Salman a few years ago.

The media has been HIDING this until now....
