A fascist who supports military dictatorship, threatens to jail thousands of political opponents, demonizes free press, is racist/misogynistic/homophobic, was advised by Steve Bannon, and talks about a national “cleansing” is about to win the presidency...

.

.

.

.

...of Brazil.

I’ve said it before: LOTS of money is being spent to destabilize liberal democracies ALL AROUND THE WORLD and to promote fascism and white supremacy.

We in the United States tend to be self-focused.

But this is a GLOBAL CAMPAIGN to destroy representative government.

To. Destroy. It. Everywhere.

https://t.co/lsN4DxNZeU

> We are horrified here in Brazil. I could see this coming in slow motion ever since 2016...it was a carbon copy of the Trump campaign.

And it’s done.

Eu sinto bruito, Brasil.
Solidariedade.
