[#keralatemple](#)

This is a famous Shri Krishna Temple. Maharishi Shambara did Tapasya here and Parashurama did Prathishta of Shri Krishna. Krishna is sitting in a Raudrabhavam here after Kamsavadham. To satisfy Krishna's Raudrabhavam, early

Morning at 3'O Clock Nivedyam is offered to Krishna.

Devaki and Vasudevar who couldn't witness Bala Leelas of Krishna in Gokulam are shown all the Leelas of Krishna and Balarama in a dance form here. Shambara muni and Parashurama also witnessed all the Krishna Nrityam along with

Devaki and Vasudevar.Thidambu Nrithyam an annual utsavam done here signifies this.

Inside the Temple, Jala Durga can be seen. It is believed that Devi Is Yoga Maya who has came here to stay with Krishna. A famous Ilanji tree stands inside the temple, which does not bears fruit.

A devotee with skin disease was sitting under this tree and when ilanji fruit was falling he felt immense pain. Krishna made a promise to the tree that it will not bear fruit and harm his devotee  
 Eventhough Kerala is famous for ulsavam with Elephants, this is a rare Temple, where

No Elephants can go near. Reason is that elephant Kuvalayapida attacked Krishna and Balarama while they were entering the palace of Kamsa Since this incident Krishna had hatred against elephants
