A MEGA Thread on \$TDOC

I mostly avoid healthcare companies as I don't understand the industry very well, especially Therapeutics.

HAAS Healthcare as a service is very interesting though with \$TDOC front and center.

Here are links to others research. ENJOY!!!

1/ My 2021 Top Pick: Teladoc

The US healthcare system is broken.

We spend more on healthcare than any other country but aren't seeing comparable outcomes. 25% of healthcare spending is considered waste.

Fixing it is one of the greatest opportunities that exist.
