Asian Paints took a bounce exactly from the level given on 21st October.

It has string resistance at 3200, so fresh up-move will be confirmed only when it opens above 3220-3230 levels

#ASIANPAINT
#DKBPositional https://t.co/Q6fTbK5VHM

Asian Paints also at crucial support line, bulls desperately need a reversal here, else it'll go in hibernation.....
